

# WOOSTER CITY SCHOOLS THE FUTURE OF CORNERSTONE

*The Plan for our District's Oldest Building*

Wooster City School District is committed to thoughtful planning for the future of the historic Cornerstone building as part of our comprehensive facilities master plan.

## Planned Transition

### Approach Wooster Growth as a Partner:

The district will work with Wooster Growth to acquire the Cornerstone property and issue a Request for Proposal (RFP) to potential developers.

### Focus Areas for Development:

Housing  
A community-use facility  
Green space

### Preserving History:

Proposals will evaluate the appropriateness of preserving aspects of the Cornerstone building's history.

## Relocation of Littlest Generals Preschool

The Littlest Generals Preschool program will be **relocated to Parkview or Kean Elementary**, ensuring continuity in early learning opportunities.

*Conceptual plan based on community needs highlighted in the City's Comprehensive Plan*
