Personal Electronic Device Policy

Public / Student-Facing Policy

Personal Electronic Device (PED) use is permitted before 8:05 am, during lunches (with permission), and after 3:35 pm.

Any student found to be using a PED at an unauthorized time or place is subject to having that device taken up.

Refusal to turn in a device when prompted will result in an immediate office referral and In-School Suspension being assigned.

What is a Personal Electronic Device?

Cell Phones

Earbuds

Headphones

iPads/Tablets

Video Game Devices

Smart Watches

Nurse's Corner

HEALTH CARE THINGS TO KNOW

General Information

*Students should not call or text parents to pick them up for illness.
The procedure is to go through the clinic for evaluation.
Parents will then be called when necessary.*

MEDICATION

- All medication (prescription and non-prescription) given at school requires a Request for Administration of Medication signed by a parent and physician. Information to be included is student's name, name of medication, dosage, time and route of administration. Form may be downloaded and printed from the [EJH Nurse website](#).
- All medication must be in a properly labeled prescription container. Nonprescription medication must be in an original container.
- Temporary prescription medications (to be given at school for less than 10 days) may be given with a parent signed Request to Administer medication and the medication in a labeled medication bottle or discharge instructions from the prescribing physician.
- Inhalers and Epinephrine delivery systems may be carried by the student, especially in athletics, but documentation as described above is required.
- Students **MAY NOT** bring medication to school for self administration. ALL medication is to be brought to the EJH Clinic with appropriate documentation to be administered by the nurse. No medication will be returned to a student. This includes OTC medication and cough drops.

Attendance / Report an Absence

If your child is absent, please call the EJP attendance secretary at 817-399-3822 to report the absence. If you leave a voicemail message, please include this information:

- Your child's name, grade, and ID
- The reason of the absence
- Your Name/Phone Number

It is a parent's responsibility to report the student's absence **within 72 hours**. If the absence is not reported within the time specified, it will be considered an unexcused absence regardless of the reason for the absence.

If your child has been absent more than 10% of the school days enrolled, then a doctor's note will be required for each absence recorded.

Tardy / Late to school

The Tardy bell rings at 8:20 AM. A student is considered tardy if he/she is not in their classroom and ready to learn when the bell rings to begin each class period. Excessive tardiness will result in a Truancy notice.

Doctor's Notes

When your child visits the doctor, dentist, or any other health professional during the school day, make sure to get a signed note from their office stating the appointment date and time. A copy of the note should be turned in to the office as soon as your child returns to school. If it is requested that your child remain out of school for an extended period of time, those exact dates must be noted on the excuse. You may also email doctor's notes to rebeccaarnold@hebisd.edu

Verification of Enrollment (VOE) Forms

If your student is getting a driver's permit or license, they will need to have a VOE form issued by the school. To request one, contact Mrs. Arnold either in person, by phone at (817) 399-3822, or by email at rebeccaarnold@hebisd.edu and please give at least 24 hours notice. Students will be able to come before or after school to the attendance office to retrieve and sign their VOE form. The student will need to be in compliance with the Texas education code #25.092 and have more than 90% of attendance to be able to get this document. Please note that this form is only valid for 30 days. The document will be valid throughout the summer if it is issued in the last week of school.
