Each year, Americans observe National Hispanic Heritage Month from September 15 to October 15, by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America. The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402. The day of September 15 is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively. Also, Columbus Day or Día de la Raza, which is October 12, falls within this 30 day period.

The students in Spanish I are celebrating with Ms. Silverio the Hispanic Heritage Month, and this is just a little bit of the activities they have been working on

Thank you to Ms. Haggard and Ms. Mickels for setting up the Kona Ice, the students really enjoyed a sweet treat mid-week

And also everyone that brought lots a cans for the Food Drive, which helped for a small prize on the Kona ICE

Nurse's Corner

HEALTH CARE THINGS TO KNOW

General Information

Students should not call or text parents to pick them up for illness.

The procedure is to go through the clinic for evaluation.

Parents will then be called when necessary.

MEDICATION

- All medication (prescription and non-prescription) given at school requires a Request for Administration of Medication signed by a parent and physician. Information to be included is student's name, name of medication, dosage, time and route of administration. Form may be downloaded and printed from the [EJH Nurse website](#).
- All medication must be in a properly labeled prescription container. Nonprescription medication must be in an original container.
- Temporary prescription medications (to be given at school for less than 10 days) may be given with a parent signed Request to Administer medication and the medication in a labeled medication bottle or discharge instructions from the prescribing physician.
- Inhalers and Epinephrine delivery systems may be carried by the student, especially in athletics, but documentation as described above is required.
- Students **MAY NOT** bring medication to school for self administration. ALL medication is to be brought to the EJH Clinic with appropriate documentation to be administered by the nurse. No medication will be returned to a student. This includes OTC medication and cough drops.

Attendance / Report an Absence

If your child is absent, please call the EJH attendance secretary at 817-399-3822 to report the absence. If you leave a voicemail message, please include this information:

- Your child's name, grade, and ID
- The reason of the absence
- Your Name/Phone Number

It is a parent's responsibility to report the student's absence **within 72 hours**. If the absence is not reported within the time specified, it will be considered an unexcused absence regardless of the reason for the absence.

If your child has been absent more than 10% of the school days enrolled, then a doctor's note will be required for each absence recorded.

Tardy / Late to school

The Tardy bell rings at 8:20 AM. A student is considered tardy if he/she is not in their classroom and ready to learn when the bell rings to begin each class period. Excessive tardiness will result in a Truancy notice.

Doctor's Notes

When your child visits the doctor, dentist, or any other health professional during the school day, make sure to get a signed note from their office stating the appointment date and time. A copy of the note should be turned in to the office as soon as your child returns to school. If it is requested that your child remain out of school for an extended period of time, those exact dates must be noted on the excuse. You may also email doctor's notes to rebeccaarnold@hebisd.edu

Verification of Enrollment (VOE) Forms

If your student is getting a driver's permit or license, they will need to have a VOE form issued by the school. To request one, contact Mrs. Arnold either in person, by phone at (817) 399-3822, or by email at rebeccaarnold@hebisd.edu and please give at least 24 hours notice. Students will be able to come before or after school to the attendance office to retrieve and sign their VOE form. The student will need to be in compliance with the Texas education code #25.092 and have more than 90% of attendance to be able to get this document. Please note that this form is only valid for 30 days. The document will be valid throughout the summer if it is issued in the last week of school.
