

BUILDING BRIGHTER FUTURES
VOTE APRIL 8

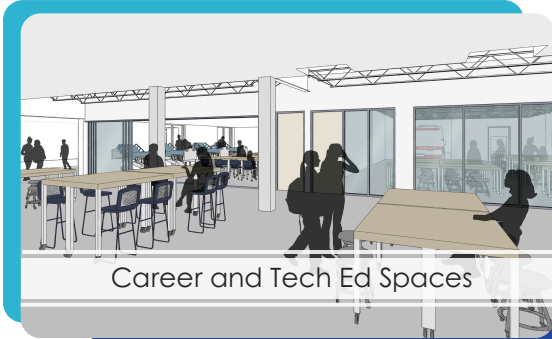

St. Cloud Area School District 742

Apollo High School Updates + Improvements:
Increased safety. Updated facilities for future-ready learning. New community athletic facility.

TAX IMPACT
\$3.33/MONTH

*Total tax impact for a \$250,000 home

Career and Tech Ed Spaces

QUESTION 1

Apollo High School Updates

\$50 million // Tax Impact: \$2.41 per month for a \$250,000 home

Update Apollo High School to meet modern **safety, accessibility and educational standards** to better prepare students for college and careers.

- **Secure entrance • Storm shelter/gymnasium***
- **Fire safety upgrades* • Lunch service line • Science labs/classrooms**
- **Fine arts, performing arts, and physical education improvements**
- **Career and Technical Education classroom expansions/enhancements**

*Required for code compliance as part of these improvements

QUESTION 2

Indoor Multipurpose Athletic Facility

\$15 million // Tax Impact: \$0.92 per month for a \$250,000 home

742 Multipurpose Facility

Construct an **indoor multipurpose athletic facility**, providing our community with access to a full-size turf field and walking track. This facility will support year-round activities for students throughout the district.

QUESTION 1 MUST PASS FOR QUESTION 2 TO BE APPROVED

This publication was prepared for St. Cloud Area School District 742 for informational purposes only. It is not circulated on behalf of any candidate or ballot question.

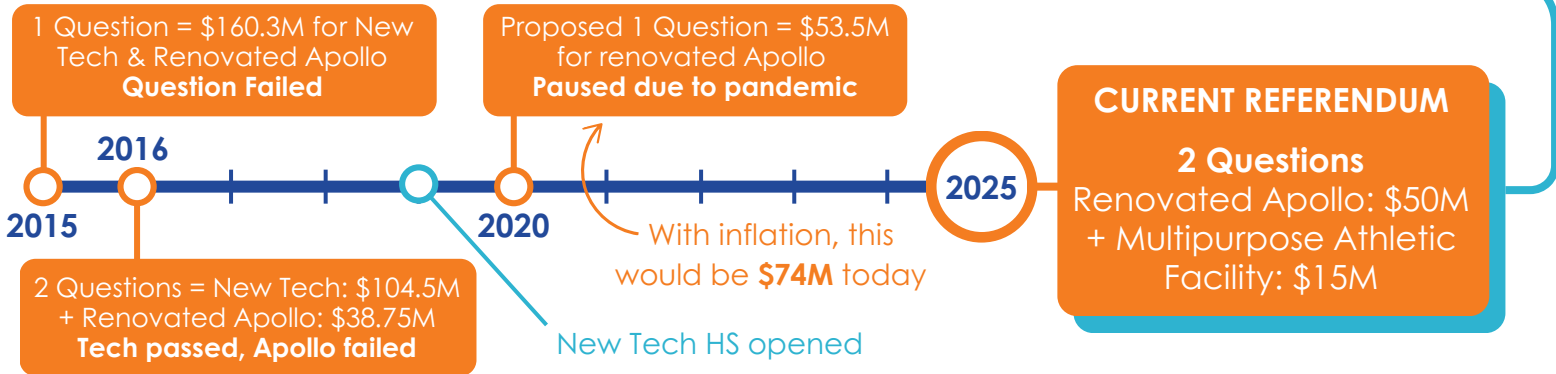

VOTE ON OR BEFORE APRIL 8, 2025

The district has **exhausted all other options** to pay for these necessary updates and minimized the tax impact through long-term planning and fiscal responsibility, including the use of one-time state and federal dollars to make updates at Apollo over the past two years.

\$3.33/MONTH
For a \$250,000 home

NEEDS AT APOLLO HAVE NOT GONE AWAY

Safety + Security

Apollo is the only school in the district without a secure entrance. It is 54 years old and needs critical safety and security updates.

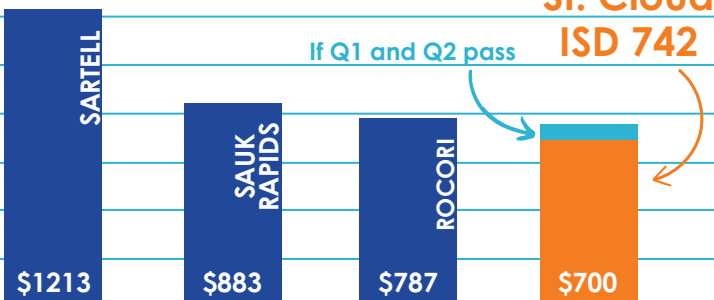

College + Career Readiness

Investing in our students means investing in our future workforce. Upgrades to career and technical education spaces will provide students with skills they need for careers in high-demand fields.

St. Cloud ISD 742

Our district has the **lowest education tax impact** of neighboring districts and **will remain the lowest** if both questions pass.

*Numbers are based on a \$250,000 home.
