- If you are considering continuing your education at a traditional four year college/university consider Advanced Placement coursework over dual enrollment.
- GLHS Advanced Placement course options include:

|                 |                  |               |

| AP US History   | AP World History | AP Chemistry  |
| AP Pre Calculus | AP Statistics    | AP Economics  |
| AP Calculus     | AP Physics       | AP Psychology |

**Note: The number of student requests determine whether an AP course will run.**

# CTE/EFA Off-Site Options

- **Career & Technical Education (CTE) and Education for the Arts (EFA) Programs** offer offsite career training opportunities  
There is **NO cost** to the student for participating
  - **Transportation will be provided from GLHS to the Tech Center or offsite location**
  - CTE/EFA off-site programs run for 2 blocks for the entire school year and will earn 3.0 credits.
  - Third block will be scheduled as a virtual high school class to provide time for transportation and lunch.
  - Priority CTE/EFA applications were due January 10th. You can still apply, but may be on a waitlist. See your counselor with questions.
  - Second year CTE students **STILL NEED TO APPLY.**
  - Many of the county wide CTE and EFA programs have limited space available and it is not unusual for you to be placed on a waiting list for a program.

# CTE Off-Site Options

- **Work Based Learning (WBL)** is an opportunity for Juniors and Seniors to “earn while they learn.”
- Students who have completed at least one trimester of a Career and Tech Ed course can gain valuable work experience, while earning both money and high school credit.
- See your counselor for more information if you are interested
- **Students are not officially enrolled in co-op until our CTE coordinator, Mr. Scott Wills, has approved the final placement.**

# Dual Enrollment Options

**Dual Enrollment** is an opportunity for a high school student to take a college course(s) as part of their school day. The course may be offered off-site through KVCC, KCC, or WMU.

Please review the guidelines for Dual Enrollment and indicate your interest on the course selection sheet/EDP. One Fall College course (3-4 credits) equals one block of time in your school day (Dual Enrollment A). One Winter/Spring College course (3-4 credits) equals one block of time in your school day (Dual Enrollment B/C).

# Dual Enrollment Continued

- **KVCC**-apply at [www.kvcc.edu](http://www.kvcc.edu), schedule the Accuplacer placement test (or submit your SAT scores), meet with an academic adviser, register for classes and submit the PSEO billing form.
