

Welcome Parents!

There are two (**2**) different paths to register your child for school. Either:

(**1**) Your child is **NEW** to our district and has **NEVER** attended a school within our system. This option is called **ORS** (*Online Registration System)* or

(**2**) Your child has **PREVIOUSLY** attended a school within our district. This option is called **SPC** (*Student Progress Center*).

Please choose the appropriate path to register your child for the upcoming 2021 – 2022 school year.

Thank you and have a great school year!
