Easy Reading Tip #1

Picture Walk

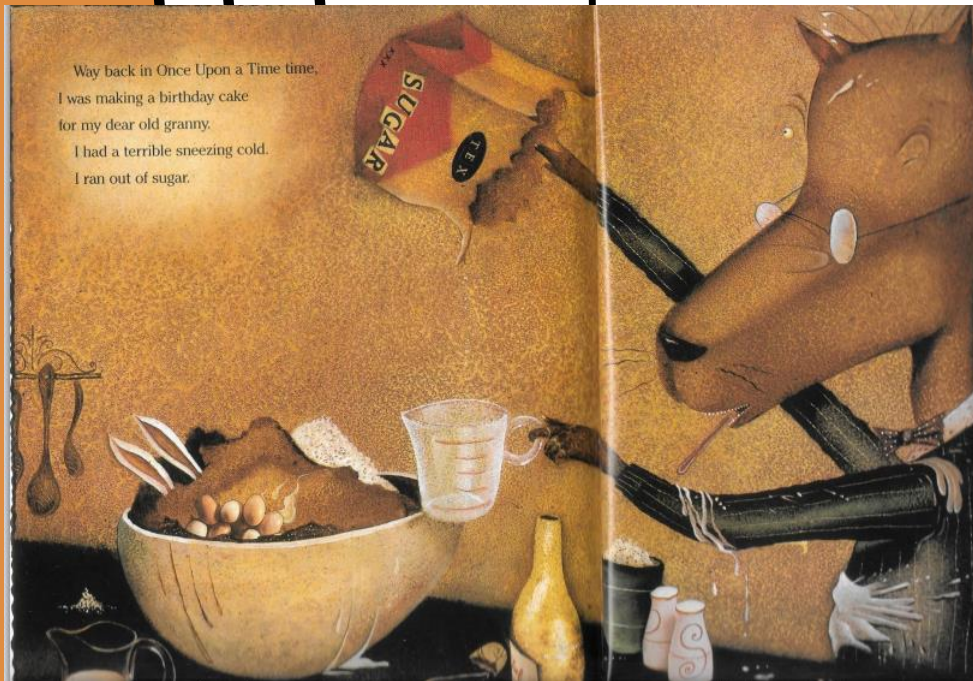

Look at the Cover

- Read the title
- Make predictions by asking:
 - “What do you think this story will be about?”
 - “What other books does this cover remind you of?”
 - “Who might the story be about?”
 - “Where is it taking place?”

Turn each page

- Look at the pictures
- Ask questions about each picture:

- “What is going on here?”
- “Who is this?”
- “Why does the character look (insert emotion)?”
- “What do you think will happen next?”
- “What do you see on this page?”

Turn back to the beginning and...

verybody knows the
story of the Three Little Pigs.
Or at least they think they do.
But I'll let you in on a little secret.
Nobody knows the real story,
because nobody has ever heard
my side of the story.

TALK, TALK, TALK... Ask your child questions and discuss

What

has happened so far?

What

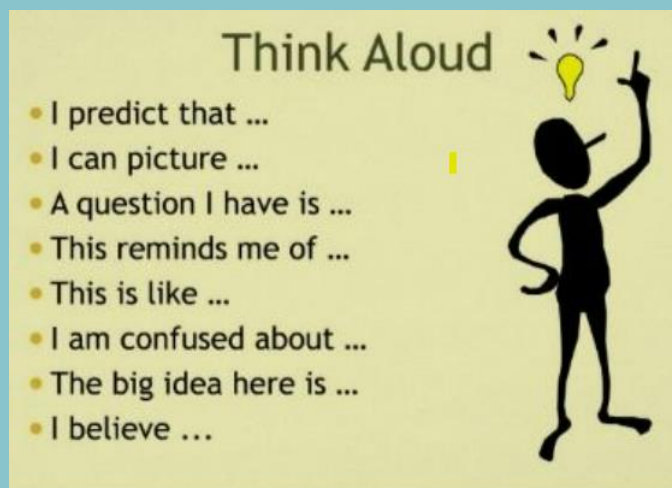

do you think will happen next?

Discuss

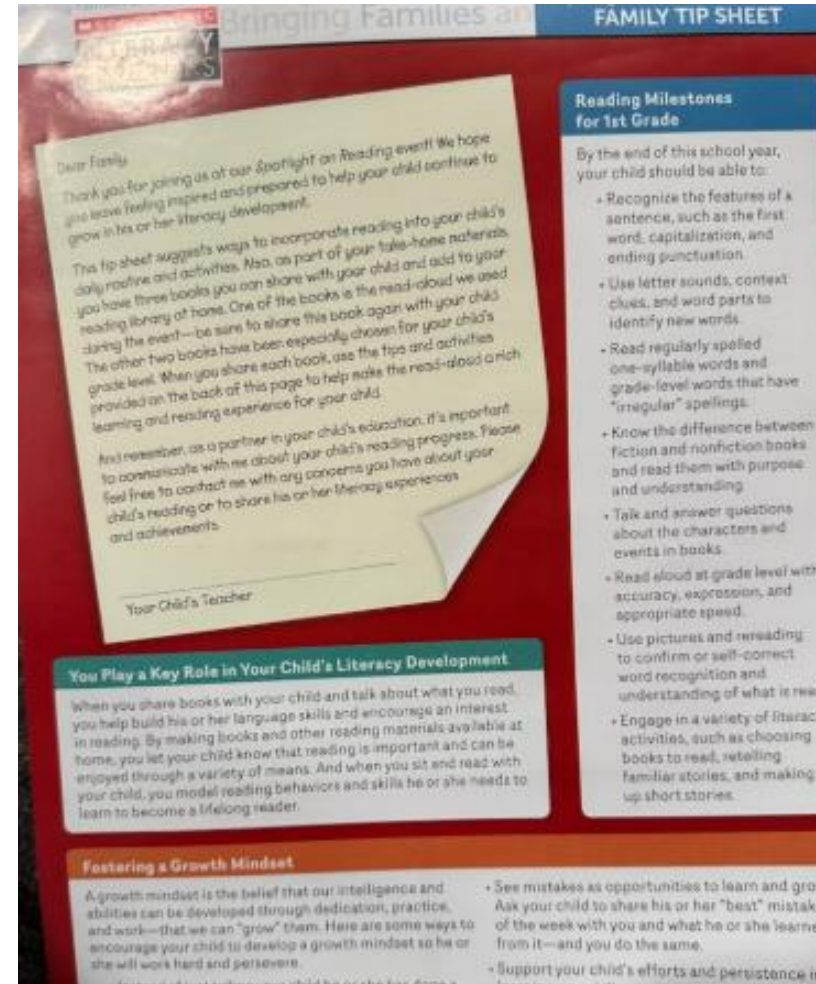

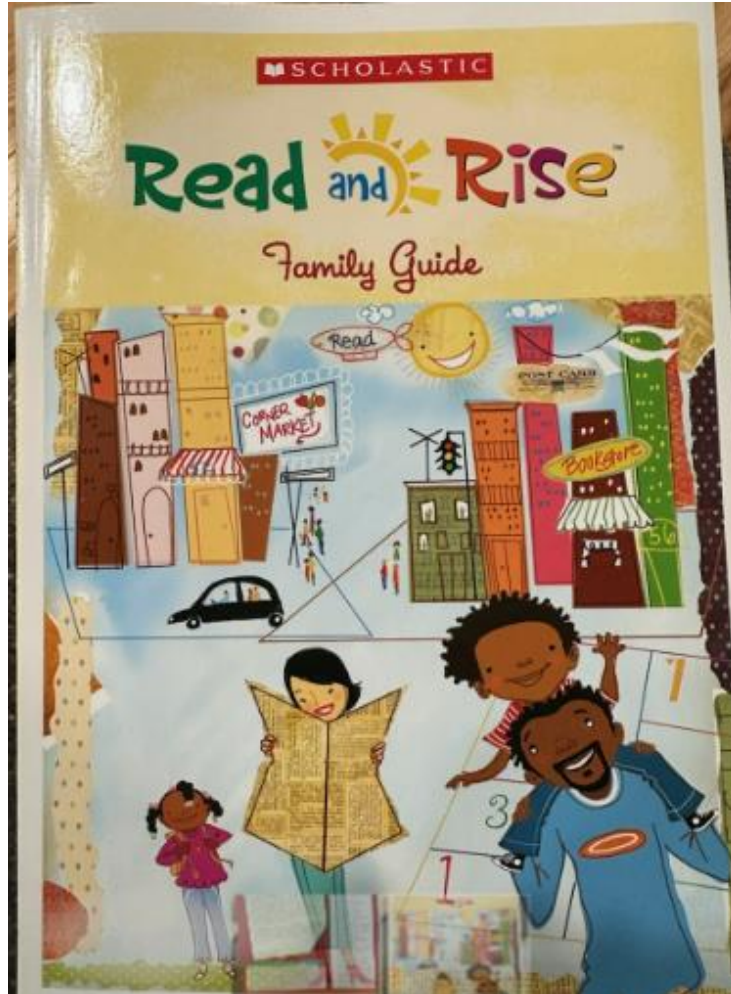

characters, events, and ideas.

Discuss

a memory or connection to the text.
