## Families Making the Connection

### An Apple a Day

Apples are a fruit that grow on trees. They are grown in all fifty of the United States. For North Carolina, apples are an important part of the agriculture economy.

Sweet or tart – there is an apple for every taste. Apples come in a variety of different sizes, colors, and flavors. A number of different cultivars are grown in North Carolina. Red Delicious, Golden Delicious, Granny Smith, Gala, Fuji, Honey Crisp,

Empire, Rome Beauty, and Pink Lady are a few examples.

Apples can be available year-round. North Carolina apples can be purchased July through February. To find an apple orchard nearby, visit the N.C. Department of Agriculture & Consumer Services website, <https://gottobenc.com/find-local>. Or use the Visit N.C. farms app, <https://visitncfarmstoday.com/>.
