Congratulations to our Girls Bowling team for advancing to the 2025 AHSAA State Tournament in Mobile! We are excited to give our student body the opportunity to attend the event and show their support for our student-athletes. The first round of play takes place on Monday, February 3rd, at Bowlero Mobile.

Students will be permitted to check-out of school at 11:30 AM on Monday to travel to the tournament.

To have an attending student's absence excused, students must follow the steps outlined below:

1. Please return this letter to Mrs. Thomson, Attendance Clerk, with the signature of a parent or guardian by Friday, January 31, no later than 3:18 PM. No late forms will be accepted. Permission letters may be turned in to Mrs. Thomson in the front office from 8:05 to 8:15 and in between classes.
2. When submitting their permission slip to Mrs. Thomson, students must show proof of a GoFan ticket purchase. This should be an email of the purchase receipt or the ticket itself. NO SCREENSHOTS.
3. All attendees must check in with an administrator at the event venue. This will confirm their attendance.

Should the team advance to Tuesday's State Finals on February 4th, this permission slip will count for that day as well. Again, students will be able to check out of OBMHS at 11:30 AM. Students must check in with an administrator at Bowlero on Tuesday to confirm their attendance at the match.

The school will not provide transportation to this event; parents/guardians are responsible for the safe arrival of students to the event. We look forward to a great showing by our Girls Bowling team and hope to have the full support of our student body! Go Makos!

MY STUDENT WILL BE ATTENDING THE BOWLING STATE TOURNAMENT ON FEBRUARY 3RD AND POSSIBLY FEBRUARY 4TH IN MOBILE.
