## Guidelines for the All Star Foundation Scholarship St. Charles Catholic High School

*Todd P. Trosclair graduated from St. Charles Borromeo High School in 1977. He is now CEO of All Star Electric, Inc. Living out the American dream of owning his own company, Mr. Trosclair firmly believes his success is attributable to education and strong, dependable teamwork. This scholarship is a way for Mr. Trosclair to assist active, hard-working and involved students with their high school tuition.*

Two scholarships winners will be awarded \$1000.00 towards their SCC tuition. Plans are for the scholarship to cover some of the cost of attending St. Charles Catholic High School. One male and one female will be recognized each year.

To apply, applicants must be a current St. Charles Catholic High School student. The student must have completed at least one full semester at SCC. The student must be participating in and must continue participation in at least one activity where he/she may earn "letterman" status.

**The criteria used in awarding this scholarship focus on the demonstration of the student's development of the *mind, body, and spirit*:**

- a. Academic Record
- b. Demonstration of involvement in extracurricular activities in which "letterman" status may be earned.
- c. Demonstration of Catholic values as seen by involvement in the Church, SCC, and community.

**Completed applications must be submitted to the school by February 28, 2025. Please print clearly.**

**The winners will be announced at the awards ceremony in May.**
