

Blue Hawks News

SCHOOL SAFETY

All K-8 students practiced a lockdown drill this week. To keep the drill low key and one that is not upsetting to students and staff, we simply close classroom doors and keep the hallways clear as we check doors to make sure doors are locked and everyone is accounted for. All doors have keycard locks, allowing us to lock out individuals without a key card. As always, exterior doors are locked at all times, and we do not let visitors in during any drills. Our students and staff have been doing a great job of staying safe, keeping doors closed, and traveling to other buildings with an adult or with other students.

Underground Spirit Week

Have students come home this week wondering why they have seen staff wearing crowns, drinking coffee from pineapples, wearing sandals with socks, and generally acting a little "off"? We hope so! K-8 staff have been participating in "Underground Spirit Week" in an effort to get students to be inquisitive, ask questions, have some fun, and laugh. Each day this week had a different theme attached to it, much like a week full of Fun Fridays. Thanks to all staff who participated!

BASKETBALL CONTINUES

Thanks to our volunteer coaches, boys and girls basketball for 3rd through 6th grade students continues. These Blue Hawks had the opportunity to show a bit of what they have learned already at half time of the high school games this past Tuesday. If your student missed joining the fun, there is still time. This is a great opportunity to learn some skills and have fun. All practices will be held in the K-8 Gym. The schedule is as follows:

| | | |
|-----------------------|-----------|-------------|
| Saturday, February 1 | Boys 9:00 | Girls 10:00 |
| Saturday, February 8 | Boys 9:00 | Girls 10:00 |
| Saturday, February 15 | Boys 9:00 | Girls 10:00 |

The season will wrap up with players playing games during halftime of the high school games on Saturday, February 15th beginning about 4:30PM.

Winter Tracks Program

Our 4th grade students have been invited to participate in the Winter Tracks Program again this year. Students will hike to the Forest Service Mule Pasture on February 7th for an outdoor winter adventure. In outdoor workshops throughout the day, students will learn to track and identify local wildlife, as well as safety when around them. They will also learn how to start a fire, tie a few knots, use a compass and purify water.

Don't miss the PTO Meeting on Tuesday, February 4th. See you at 5:00PM.

Important Happenings

| | |
|------|---|
| 1/30 | REACH (after school program for Gr 3-8) 3:30-5:00PM |
