

Hello Cetronia Families!

Mark your calendars for this year's art show. The Cetronia Art Show will be Thursday, February 20th from 5:30-7:30pm. Students from grades Kindergarten through 5th grade will all have a piece of work on display for the show. Your student's work will be located outside of their homeroom teacher's classroom (5th grade by the art room). Students in first through 5th have selected, mounted, and labeled their own work in preparation for this event. I prepare the work for the kindergarten students.

The PAC will be hosting a free social event for families in the school gym. Activities will focus on encouraging imagination and exploring creative potential in a casual, fun atmosphere. All ages are welcome!

Hope to see all of you there!

Sincerely,
Mrs. Susan Hardy
