

# FORT STOCKTON ISD SCHOOL IMPROVEMENT

As part of our ongoing commitment to improving the educational experience for all students, we are focusing on key action steps in our School Improvement process this year. We truly value the perspectives and input of all members of our community, and we are reaching out to gather your thoughts and suggestions to ensure we're on the right track.

Below are the action steps we will be focusing on this year:

## **FORT STOCKTON INTERMEDIATE SCHOOL**

- Continue to work with Strong Foundation to improve lesson internalization Data Driven Instruction and student engagement.
- Continue supporting teachers with a Campus Curriculum Director
- Embedded Professional Development -utilizing Professional Learning Communities
- Engage in Foundational Leadership Instructional Practices and Systems Milestones (FLIPS) with Region 18

## **FORT STOCKTON MIDDLE SCHOOL**

- Continue supporting teachers with a Campus Curriculum Director
- Embedded Professional Development - utilizing Professional Learning Communities.
- Utilization of ORE - High-Quality Instructional Materials - with Professional Development to support teachers.
- Engage in Foundational Leadership Instructional Practices and Systems Milestones (FLIPS) with Region 18

## **FORT STOCKTON HIGH SCHOOL**

- Continue to work with NIET to provide ongoing training and support to the Instructional Leadership team.
- Utilize ILT meetings to analyze observation data, model best practices, and provide ongoing coaching to department chairs
- Continue to support department chairs as they lead PLCs and support teacher capacity to increase student success, with a specific focus on writing.
- Engage in Foundational Leadership Instructional Practices and Systems Milestones (FLIPS) with Region 18

Please contact your assigned school administration team to provide input:
