

Veterinary Science

Post-Secondary Opportunities Information

POST-SECONDARY OPPORTUNITIES

- Prior Learning Assessment (PLA) credits provide a seamless pathway to an Associate in Applied Science (AAS) in Veterinary Technology
- Pima Medical Institute (PMI) Veterinary Technician Associate Degree
- ASU Bachelor of Applied Science (BAS) Degree options

COURSES AND CREDITS

Mesa Community Prior Learning Assessment (PLA) credits available at Northeast, Northwest and Southwest Campuses. PLA credits are available to all students.

- VET101 Introduction to Veterinary Technology (3 credits)
- VET101LL Animal Care Skills Laboratory (2 credits)
- VET103 Veterinary Assisting I (3 Credits)
- VET104 Veterinary Assisting II (3 credits)
- VET109 Veterinary Assisting Internship (1 credit)
- VET250AD Veterinary Technician Internship (0.5 credit)

Completion of the West-MEC Veterinary Science program and the NAVTA certification, will grant the 12.5 PLA credits above (at no cost) upon acceptance and enrollment into Veterinary Assisting CCL and/or Veterinary Technology AAS degree at Mesa Community College.

Pima Medical Institute

- West-MEC Veterinary Science program graduates may be eligible to transfer up to 29 credits for all courses in the PMI VTA program
- West-MEC graduates must attend 3 consecutive in-person skill review workshops to be held by PMI faculty. Each workshop will be 4 hours in length. **Please see the attached pathway for complete details.**

COST REQUIREMENTS

Mesa Community College

- No cost for this PLA opportunity

Pima Medical Institute

- No cost for the articulated credits

ENROLLMENT INFORMATION

Mesa Community College

- For more information, please visit: <https://www.mesacc.edu/programs/map/veterinary-technology-aas-22-23>
- In a post-secondary setting, students are responsible for learning the policies of the institution to ensure that credits transfer to fulfill specific degree requirements. Visit www.aztransfer.com for Arizona colleges and universities.

Pima Medical Institute

- Students who meet all PMI admission requirements, including a skills assessment, will be eligible for admission.
- For more information, please contact Pima Medical Institute College and Career Specialist Amanda Mariani, 623 232 2671, amariani@pmi.edu

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to www.west-mec.edu for most current information. Program is taught by industry certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations.
