

PCPS Happenings

PPS / PES

PPS second graders started their American Heart Association fundraiser with jump rope day! This was a great event and we appreciated the parents who came to cheer on their student!

Tonight, January 30, is the PPS IPOP Open House! Stop by between 6 and 7pm to meet the teachers, see the space, and get answers to any questions about our preschool program.

PPS & PES mid-year assessments are occurring to evaluate growth and progress which helps inform small group interventions, especially in reading and literacy.

PES has welcomed a few Teacher Cadets from PHS into their classrooms to learn about teaching as a profession! These students serve as great role models and we are excited about these experiences.

PES is looking forward to seeing flowers from the tulip bulbs that were planted by students in conjunction with the Poquoson Master Gardener and retired PES music teacher, Susan Northcutt.

PES PTO is planning a family bingo night and is also working with students to have Valentine Grams for students next month.

Follow us! @poquosonschools

PMS / PHS

8th grade students went to PHS for their Rising Freshman Family Night and the Course Fair. They are starting to plan next year's schedules.

Battle of the Classes is coming up strong and our grade level teams are preparing for the battle during the week of February 10th with the main event occurring on Feb 13th.

Congratulations to Joshua Lassiter, Jack Leahy, and Bella Birby for being recognized as the January Golden Bulls of the Month!

Congratulations to the PMS and PHS Band students who made District band! We are so proud of our music programs!

Senor Navarro held his annual Colombian Cultural show with art, music, dance, and other student performances. Everything was beautiful!

Congrats to the Academic Challenge Team for winning regionals! They now move onto Super-Regionals and we wish them the best of luck.

Congratulations to the PHS Senior of the Month, Hope Gammons!

Winter sports are going strong and we have many athletes in swim and indoor track who have already earned qualifying times for state competitions. Wrestling is hosting the regional tournament on Feb 15th. We are excited about regional events coming up soon- please continue to come and support at our home games!

District

The implementation of our state-mandated cell-phone free policy has started strong this month. We are pleased with how our students, especially those in our secondary schools, have responded. We appreciate the parental support in helping our students stay focused while at school and putting their education first!

Strong attendance continues to be a goal at all our schools and it starts at home. When your child is healthy, please ensure they are in attendance every day - as every day matters!

We appreciated everyone's flexibility during our recent inclement weather days as safety is our top priority. Please recall that in order to meet state requirements, PCPS is changing the February 5th full-day professional collaboration/PD day to a half-day with students. Students will follow a typical half-day schedule and staff will have PD in the afternoon.
