SAN ANTONIO COLLEGE**

**IN PARTNERSHIP WITH  
SAN ANTONIO COLLEGE -  
ALAMO COLLEGES DISTRICT**

**Receive a high school diploma and a credential while also earning an associate degree.**

## **Why Health Science P-TECH?**

Our regional workforce shows a growing demand in the field of health science. This industry based career is seeking motivated, critical thinkers that can provide exceptional care. Students in the Health Science P-TECH program will not only graduate with their high school diploma, but will also earn an associate degree that will open doors of opportunity within this career path.

# **P-TECH**

## **Education**

- P-TECH provides students grades 9-12 the opportunity to complete high school and post-secondary courses.
- Students can obtain dual credit through San Antonio College, allowing students to graduate with an associate degree in science.

## **Certifications**

Level 1 certificate or industry-based certifications such as certified clinical medical assistant, phlebotomist, etc. can be obtained.

## **Work Based Learning**

- Offers age-appropriate work-based learning opportunities at every grade level.
- Allows students to gain work experience through an internship, apprenticeship, or other job training program.

# About Us

We unify and educate students, parents, staff, school leadership and our greater community to strategically utilize resources and create opportunities to prepare students for in-demand, high-skill, high-wage careers. Through this program, students will explore and master skills required for high school completion in combination with earning college credits, industry certifications and work-based experience.
