

School Committee Goals 2024-2025

Compass Point 1 Teaching + Learning

Ensure the delivery of outstanding educational experiences for all students

- Host at least two presentations on data driven programming and curricular decisions
- Schedule presentations that promote and celebrate educator collaboration relative to equitable access

Compass Point 2 Social + Emotional Wellness

Support students' physical and mental wellness

- Encourage community discourse on healthy child development by identifying and/or hosting three or more discussions, forums, or presentations

Compass Point 3 Resources

Evaluate budget processes to identify areas for growth

- Development of budget mission statement
- Review of budget special purpose stabilization fund and capital processes
 - Feasibility Study

Compass Point 4 Communication + Engagement

Empower constituents

- Develop a community resource guide
- Create CPS "State of the Schools" collateral
- Develop district-wide public relations strategy
