Policies and Procedures- FACTS Tuition Management has been contracted to process FCA’s tuition and fee payments. FACTS provides tuition management services, allowing families to make payments through a checking or savings account or credit card (subject to a convenience fee). The enrollment process for all FCA families includes registering with FACTS Tuition Management.

Faith Christian Academy’s past due tuition policy states that accounts must be brought current within thirty days or the enrollment of the student may be discontinued. FACTS will allow families the flexibility to adjust their own payment date up to ten business days from the original due date. If necessary, special arrangements should be made with the Business Office prior to the tuition/fee due date.

Financial Assistance- The EITC tax credit program funds financial aid for qualifying families. Verification of need must be provided for consideration of tax credit distribution and financial aid: <https://www.my-fca.com/admissions/tuition>. If enrollment becomes available for your student(s), FCA will contact you directly with the results of your financial aid application and next steps to reserve tax credits (where applicable).

Faith Christian Academy is a 501(c)(3) nonprofit organization providing academic, athletic, and spiritual excellence to students and their families since 1973.
