

What is AVID?

AVID is an acronym for Advancement Via Individual Determination. The typical AVID student is hardworking, determined, and has good attendance. In AVID, students will learn organizational skills and study skills to help prepare them for their future. AVID will give you the tools to succeed in your other classes. AVID creates a positive peer group for students to work collaboratively.

Why should you take AVID?

AVID is more than just a study class, AVID is a team. Students will engage with each other in other classes and learn skills like note-taking, public speaking, and help prepare you for high school and beyond!

What students have to say about AVID:

An elective that actually prepares you for the future & Mrs. Hall is the best - Zoe, Grade 8

This class helped me get through the year and with the transition to middle school - Gabby, Grade 7

You get amazing mentors! - Keegan, Grade 7

Examples of AVID Activities:

- Conduct study groups/tutorials to support coursework.
- Engage in information regarding careers, community service, and interpersonal skills.
- Organize materials for classes.
- Collaborate with peers in a meaningful and productive manner.

AVID's mission is to close the achievement gap by preparing all students for college readiness and success in a global society.
