The Flight of the Eagle

Accomplishing the goals we
set forth is not easy work.

But - as Eagles - we are strong,
focused and resilient.

Students! Consider the power
of being an Eagle as you strive
to reach your goals.

THE WORLD IS YOUR MIRROR

High School 101 Welcome to CVCHS

Academic Programming Overview

Clayton Valley Charter High School

A School of Choice

Leading with the End in Mind

All our Eagles deserve the opportunity to **FLY** - regardless of path they choose to take after high school.

Opportunity should have **no** limits...

**CLAYTON
VALLEY
CHARTER
HIGH
SCHOOL**

Mission

Clayton Valley Charter High School will provide a **positive, student-centered** environment in which all students will be **challenged** academically and develop the skills and mindsets to graduate as **successful, lifelong learners** and **productive, responsible citizens** in a diverse society.

If we expect to achieve our mission, how will we know if we have met this bar?

Profile of an Eagle

In order to manifest the CVCHS mission as an individual student, CVCHS graduates will have achieved the following upon graduating from CVCHS:

- Be eligible to attend a four-year public university in California
- Read and write at a college level
- Demonstrate college level quantitative reasoning
- Be deemed “Prepared” on California's College/Career Indicator
- Have attempted completion of college credit
- Completed a sequence of elective courses
- Engaged in work-based learning
- Participated in at least two college visits
- Completed community service
- Participated in at least two extra-curricular activities
- Created a plan for post-high school education and life
- Demonstrated exemplary attendance
- Demonstrated college level communication skills
- Demonstrated digital citizenship
- Demonstrated personal fitness

Clayton Valley Charter High School's

Academic Programs
Extracurricular Opportunities
Discipline Expectations
Student Supports

are designed to support ***all*** students in achieving the goals outlined in the **Mission** and **Profile of an Eagle**.

CVCHS Academic Programming

At a Glance

- A-G Graduation Requirement
- Nine Academic Departments
- Five Academic Academies
- Industry aligned CTE and ROP Pathways
- AP opportunities for ALL students
- AP Capstone Diploma
- Continuum of Multilingual Learner Services
- Continuum of Special Education Services
- College Bound Day

CVCHS Academic Programming Graduation Requirements

To ensure **all** CVCHS graduates are eligible to attend a public, four-year college in California, CVCHS graduation requirements align with A-G requirements.

Students must earn a C or higher to earn credits in their classes. Any grade below 70% will result in zero credit being earned and the student failing to earn credit towards graduation for that course.

CVCHS Academics Programming

Graduation Requirements

Subject	Credits	Coursework Requirements
History	30 credits	Required courses include World or AP World History, US History or AP US History, and Economics/Government or AP Microeconomics/AP Government
English	40 credits	Required courses include: ERWC 9, ERWC 10 OR AP Seminar, ERWC 11 OR AP English Language OR AP English Literature, ERWC 12 OR AP English Literature OR AP English Language.
Math	30 credits	Students must pass three years of math courses that would make them eligible to meet the “C” requirements in the A-G requirements. In addition, all students must be enrolled in a quantitative reasoning course each year they attend CVCHS.*
Science	30 credits	Students must take The Living Earth, Chemistry of the Earth OR Geology, Physics of the Universe OR an AP Science Course
World Languages	20 credits	Students must complete two years of the same language at CVCHS
Visual & Performing Arts	10 credits	
College Prep Electives	10 credits	This elective course must meet the “G” requirement as an A-G approved course, or may be an extra “A-F” course.
Electives	40 credits	
Physical Education	20 credits	We do not accept participation on a sports team in lieu of PE class credits.

CVCHS Academic Programming

Department Highlights

Department	Highlights
Career and Technical Education	Culinary Arts, Automotive Engineering, Computer Science, Game Design, Robotics, Sports Medicine, Creative Writing, Journalism, Video and Audio Production, Careers in Teaching
English	Expository Reading and Writing Grades 9-12, AP Seminar, AP Language, AP Literature
Math	Algebra 1, Geometry, Algebra 2 Sequencing, AP Pre Calculus, AP Calculus, AP Statistics
Science	NGSS three course model : Living Earth, Chemistry of the Earth Systems,, Physics of the Universe
Social Sciences	World History, AP World History, US History, AP US History, Government/Economics, AP Government, Psychology, AP Psychology
Physical Education	Team Sports, Weight Training, Conditioning, Yoga, Bowling
Special Education	Extensive Needs, Specialized Academic Instruction, Co-Taught Grade Level A-G Courses, t, Adult Transition, A-G coursework with extra Instructional Assistant Support
VAPA	Art 1 & 2; Performance Band and Choir; Ceramics, Photography 1 & 2, AP Art History, AP Studio Art
World Languages	American Sign Language, French, Spanish

CVCHS Academic Programming

Supporting College and CAREER Readiness

**Electives, Advanced Placement,
CTE Academies and Pathways**

In addition to the core graduation requirement courses, CVCHS offers a wide selection of Advanced Placement, Electives, CTE Academy and Pathway courses to inspire students ***in and BEYOND*** High School.

CVCHS Academic Programming

Measuring Success

As a Charter, Clayton Valley is required to show proof of student learning in many ways.

Two examples include NWEA MAP and CAASPP test data

MAP and CAASPP measure college and career readiness and inform need for intervention and acceleration.

Overview of CVCHS Assessments :

NWEA MAP - August, December, May

PSAT / SAT - October

CAASPP - April

AP Exams - May

Course Final Exams - End of Semesters

Beginning with the class of 2027, students will complete an ***Eagle Portfolio*** throughout their four years as part of graduation requirement.

CVCHS Academic Programming

Measuring Success with The Eagle Portfolio

The Eagle Portfolio provides evidence of student growth and learning aligned to each component of the CVCHS Profile of an Eagle. The Portfolio includes:

Student artifacts aligned to each component of the CVCHS Profile of an Eagle.

Website reflecting career and college goals, extracurricular activity participation, and examples of academic work. The website will be a valuable tool when applying for internships, jobs, trade school, college, or the military.

Students will present their portfolios to a panel at the end of their senior year.

CVCHS Academy and Pathway Programming

Terms to Know

CTE - Career and Technical Education. **Program of study** that involves multiyear sequence of courses integrating core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers.

Pathway - **Series of courses** that progress students through a progression of learning to support academic, career, and life goals. Pathways can include academic programs, career and technical preparation, internships, and apprenticeships. C

Academy - Program of **study that includes a pathways or several pathways** focused on a similar goals or interest. At CVCHS, Academy involvement includes activities beyond the classroom.

ROP - Regional Occupational Program. **Provides career and technical education (CTE) opportunities for high school students and adults.** ROP programs offer hands-on training and education in a variety of occupations.

CVCHS Academy and Pathway Important Highlights

**CVCHS is home
to FIVE Academies**

**Art
DATA
Engineering
Medical
Public Service**

Recent academy revisions

- Opportunity for **all** interested students. Students are no longer “selected” but encouraged to research programs and select an Academy offering that addresses their goals and areas of interest.
- Alignment to CA College and Career Readiness Standards.
- Industry aligned certifications, college articulation, internships and / or work based learning.
- In the works - Public Service and Art Academy revisions as they required more significant work to align certifications, internships, and college articulation. Great things are in the works!

CVCHS Academy and Pathways

Important Highlights

Enrollment Logistics

- Academy participation is NOT required as a student at CVCHS.
- Students may opt to take courses in and out of an Academy (adhering to any prerequisite that may be in place) as a stand alone course or pathway .
- Students may choose a pathway OR full Academy participation.
- Courses offered as part of a pathway may be taken alone.
- Academy participation provides students with increased opportunity for collaboration and activities beyond the classroom. Each Academy will have their own unique activities but examples may include: Academy events, meetings, field trips, community related participation and more.
- ***Students interested in Academy participation must complete the Academy Interest Form after course selection.***

CVCHS Academy and Pathways Overview

ACADEMY	PATHWAYS	PROGRAMMING HIGHLIGHTS
Art	Visual Arts, Performing Arts, Digital Arts, Production and Media	Art Design, Drama, Band, Choir, Ceramics, Photography, Animation, ROP Creative Writing, ROP Journalism, Video/Audio Production
Engineering	Engineering, Automotive	Project Lead the Way Partnership for Engineering and Design; Robotics; Onsite Auto Garage - industry aligned curriculum and certifications
Medical	Medical Science, Sports Medicine	Project Lead the Way Partnership for Medical Science; Multiple Industry Certifications Opportunities Include: First Aid, CPR, FEMA; Job Shadow Opportunity: John Muir Medical Center; Summer CNA program opportunities
Technology	Computer Science, Game Design and Integration	Project Lead the Way Partnership for Computer Science; Industry Certifications: Unity Certified Associate: Programmer, Unity Certified Associate: Game Developer
Public Service	Civics, Public Safety, Education	Leadership in Action foundation course, Industry aligned careers in Education ROP Pathway, Teaching Internship opportunities. On the way - Public Safety, JROTC

Culinary Arts Program - CVCHS offers a robust Culinary Arts program with a fully stocked, onsite kitchen teaching the fundamentals of cuisine preparation and hospitality.

CVCHS Academy and Pathways : Step by Step to Enroll

Step ONE - Review [this Academy information](#) carefully. Select the Academy that interests you. **NOTE - Academy enrollment is OPTIONAL. Students MAY choose to take a course as stand alone OR complete a pathway without Academy involvement.**

Step TWO - Select the appropriate **introduction course** when choosing your classes on PowerSchool.. You will not may not see Academy reference or designation in PowerSchool. Do not worry! See step THREE 😊.

ACADEMIES	ART	ENGINEERING	MEDICAL	GAME PROGRAMMING & DESIGN	PUBLIC SERVICE
Pathways	Visual Arts (VA) Performing Arts (PA) Digital Arts (DA) Production and Media (PM)	Engineering Automotive	Medical Science Sports Medicine	Computer Science Game Design and Integration	Civics Public Safety Education
Introductory Course	Choose ONE : *Art 1 - VA Pathway Photo 1- VA Pathway Ceramics 1- VA Pathway Drama - PA Pathway Multimedia - DA or PM Pathway	Choose ONE : Small Engine Technology- Automotive Pathway Introduction to Design - Engineering and Design Pathway	Choose ONE : Principles of Biomedical Sciences Honors - Medical Science Pathway Medical Terminology - Sports Medicine Pathway	Computer Science Essentials	Leadership in Action

★ students who took Art in middle school should choose Art 2.

Step THREE - Complete [this FORM](#). The information will acknowledge your desire to be part of the Academy vs taking the course as a stand alone or pathway only and will be used when building schedules and for Academy communication.

Advanced Placement Programming at CVCHS

New and Exciting: AP Diploma

Beginning with the Class of 2027 - the Charter offers students the opportunity to earn an AP Diploma or AP Certificate.

To satisfy the requirements for AP Diploma, students will :

- complete AP Seminar and AP Research with an exam score of three or higher,
- successfully complete four other AP courses of their choice with an exam score of three or higher.

An AP Certificate is awarded to students completing the two course AP Seminar and Research pathway with scores of three or higher.

[Learn more about the AP Diploma here.](#)

Advanced Placement Programming at CVCHS

Good to Know

AP exams are administered annually in May. Students must attempt the exam to earn a “grade bump” in the course. ***The CVCHS Governing Board generously covers the cost of the exams for all students.***

UC and CSU institutions recognize 4 full year classes of coursework courses taken in grades 10-12. ***This should NOT deter a student from taking as many Advanced Placement courses as they like to address their unique learning goals.*** It is always to a student’s advantage to take the most rigorous academic schedule they can manage - colleges evaluate transcripts and note how challenging the curriculum has been.

Many colleges give **college credit** based on the student’s score(s) on the AP examination(s).

AP courses require completion of Summer work. Students are to complete Summer work as it helps them stay on track to cover all course material needed in order to take the AP exam. AP courses are yearlong commitments and cannot be dropped.

Advanced Placement and MORE

Earning College Credit while in High School

Advanced Placement (AP) - opportunity to complete college level work.. Curriculum is standardized against common examinations throughout the country.

Articulation - courses equivalent to college courses. Students earn college credit for these courses by passing them . Taught by high school teacher.

Dual Enrollment - college-level class taken while still enrolled in high school, earns high school and college credit simultaneously. Offered by college on high school campus.

NOTE - there is no limit to the amount of college courses a student may take, but parameters apply to applying toward grad requirements. Includes courses not offered at CVCHS or courses taken as electives. EX - Mandarin vs Spanish for World Language. ***Counselors are first line to map out plan and discuss these goals.***

Be INSPIRED! A current CVCHS senior just earned an AA degree in Psychology!
