Twain's Tales by David Taylor London (Gr. 2-12) Instructor: Child's Play Theater

Twain's Tales includes five short stories. The play takes place on the front porch of a general store in what could be Hannibal, Missouri in the late 1800s. The storekeeper and his wife, a printer, a reporter, and a riverboat pilot spend the morning entertaining each other by seeing who can spin the tallest tale. In Samuel Clemens' lifetime, he held all four of these occupations. His ability as a storyteller may have been born while listening to individuals spinning yarn at the general store.

\$40,000 - \$69,999	50% of listed price

Sibling Care Policy

Sibling care gives parents the opportunity to spend individualized time with their child in an age specific class and to fully engage during parent discussion time. If a family is taking an age specific class (examples-infants, toddlers, 2s and 3s, etc) children who are not in the age group should register for sibling care. Our sibcare room is staffed by a qualified teacher who leads age appropriate exploration, activities and play. This service is available for siblings 4 months through age 5 as part of our ECCE program. Babies under 4 months may attend any class with their family. Classes that include sibcare, are designated in the description. Register at the same time you register for your ECCE class.

Non-endorsement Policy | Prior Lake-Savage Community Education works with specialists in their fields who are interested in presenting classes in their areas of expertise to the community. We do not endorse the opinions or business affiliations of the instructors.

All financial seminars are carefully screened to ensure they are strictly informational in nature. Although most seminars are presented by professional financial planners, the design is non-biased and non-sales oriented. You will not be pressured to make a purchase or meet with sales people. We prohibit the direct distribution of flyers, pamphlets or marketing materials that promote specific products, services or companies. We do, however, offer you the opportunity to receive an instructor's business card or you can ask for more information should you have additional, specific questions that go beyond the content or time frame of the seminar. We hope your participation in these programs will be enjoyable. For questions, call Jenny at 952-226-0315.

Registrations are on a first-come, first-serve basis and open to adults 18+ unless specified. Pre-registration is required for class participation. Registering online is the quickest and easiest way to guarantee your spot.

Privacy | The information requested during registration will be used to verify eligibility as well as determine staff, facility and equipment needs. Your registration information may be provided to school district staff, volunteers, instructors, the school district attorney, insurer and auditor. Your email information is for internal use only and will not be sold or solicited. Photographs or videos of classes in action may be taken and used for district publications and web pages. If you object to having your likeness used, please notify the CE office at 952-226-0310 each time you register.

Tuition Assistance | Tuition assistance and payment plans are available to residents of PLSAS. Assistance of 50% of class fee up to \$100 is available for one program per PLSAS resident in each catalog season (Youth or Adult). Some programs are not eligible. Call 952.226.0310 for assistance.
