Records Request

This is a form for you to print and take to the current school to obtain a copy of your child's school records. This is not a request for the official records, but a request for a copy of your records. The school office will request official records if your child is approved to attend New Palestine Community Schools.

Fill in your child's name, take to the current school, and a copy of the records should be provided to you to include with your packet. Please do not have the current school send a copy of records separately, without a completed packet attached. For consideration, your packet should come to our office fully completed.

This is a request for school records for _____

The information being requested includes all school records including birth certificate, immunization records, attendance records, discipline records, and the Home Language Survey Form.

***If there is no discipline record, please obtain on the current school's letterhead a statement that there are no discipline issues on file.**

You may email this information to Amber Rush, at arush@newpal.k12.in.us, or send by fax to my attention at (317) 861-2142.

Criteria for Enrollment of Transfer Students

The following factors should be considered when enrolling your student into NPCS:

1. Transfer student enrollment should be for education reasons.
- 2. To be successful as a transfer student at NPCS, the student should be maintaining a 96% attendance rate at the current school and be in good standing.**
- 3. The student must not have an excessive discipline record that includes an expulsion, 10 days suspension from another school or disciplinary infractions per Indiana Code 20-26-11-32J.**
- 4. Returning transfer students must submit an “Intent to Re-Enroll Form” by May 1st of each year. Disciplinary action such as expulsion and/or excessive tardies or absences is a cause for denial of re-admittance.**
5. The transfer should not place an undue burden on NPCS, as determined by the Superintendent.
6. Final approval for admittance of transfer students to NPCS is made by the Superintendent. No appeals will be heard by the Board.
7. NPCS reserves the right to place the student in the building and class deemed most appropriate.
8. NPCS is not responsible for transportation of transfer students to and from school.
9. The Superintendent will determine if there is sufficient room in the building, grade level, and specific classroom to accept a transfer student.
10. Parents/Guardians are responsible for obtaining an official transcript.
11. Students who are accepted to the district are not immediately eligible for summer school programming in the summer after their acceptance. Students must have attended our corporation prior to the end of the previous school year to qualify for summer school.
