

# CCE Virtual Learning Instructions

*Your student's teacher will provide information for the online platform being used for their class.*

## Virtual Learning Day Instructions for Google Classroom/Meets

- Go to [clever.com](https://clever.com) on your phone or computer
- Flash the badge located on the information sheet sent home with the students' learning packet. (You may have to click allow on the popup)
  - Please keep this badge for further snow days.
- Students will then need to click on the creek gmail icon.
- Once in gmail you should find an email from your teacher with a link for Google Meets.
- Click on the link to open the Google meets to enter the virtual classroom meeting (Again you may have to click allow).
- Classes will be 30 minutes in length (20 minutes per subject area for fourth grade)

## Virtual Learning Day Instructions for Clever Classroom

- Go to [clever.com](https://clever.com) on your phone or computer
  - Log in as a student
- Flash the clever badge located on the information sheet sent home with the student. (You may have to click allow on the popup)
  - Please keep this badge for further snow days.
- Students will then need to view messages located at the top.
  - Read the announcement and follow the next steps
  - Please reply with "Hi or Good Morning" to show attendance
- Classes will be 30 minutes in length (20 minutes per subject area for fourth grade)
