Parent outreach and involvement is a key component in the BISD Health Science P-TECH Academy. This 2023-2024 school calendar outlines family engagement opportunities to support rigorous course enrollment and college and career planning. We hope you are able to join us throughout the year at these various events.

Presentations used at each event will also be linked in the event that you are unable to attend one of our family outreach nights. Please click on the hyperlink to access the material.
