

Roundball Club Scholarship

Dear Parents and Students:

The Karns City Roundball Club, Inc. annually awards two scholarships to a senior male member and a senior female member of the Karns City Basketball program who plans to attend a college or an institute of continuing education on a full-time basis.

The scholarship is awarded based on the student's athletic contributions, leadership abilities, academic performance, civic involvement and financial need. The money will be sent directly to the college or institution upon successful completion of the recipient's first semester. If for any reason there is an interruption in your education, you must contact the Roundball Club immediately to determine if, perhaps, your scholarship will be awarded at a later date. **It is the responsibility of the student to provide documentation to verify completion of the first half-year of his/her education.**

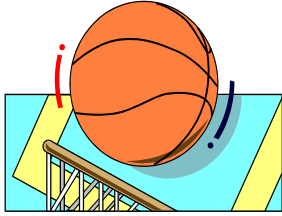

The Roundball Club reserves the right to withdraw the scholarship if it is determined that the candidate has not fulfilled obligations.

If your son or daughter is planning to attend college or an institution of continuing education and would like to be considered for this award, please complete the attached application.

The application must be returned to the Guidance Office by April 11, 2025, along with a high school transcript including SAT scores.

Sincerely,

Karns City Roundball Club, Inc., Scholarship Committee
