## NOTEWORTHY

### Primary Years Program

Designed for students ages 3 to 12, the PYP Program focuses on the development of the whole child as an inquirer, both in and out of the classroom. Part of the International Baccalaureate Degree Program, PYP follows a framework of six transdisciplinary themes of global significance across subject areas. PYP is a stepping stone to becoming an accredited IB School.

# COMMUNICATIONS & COMMUNITY INVOLVEMENT

## Communications

Clear, concise, and consistent communication with our School community is important to us. We share information through weekly Classroom Newsletters, Class Dojo, Monday Folders, and the PowerSchool Parent Portal. We host Title I Parent Workshops, Open Houses, and Parent Teacher Conferences.

Additionally, we provide a Daily Morning Broadcast, along with Afternoon Announcements, and we keep our website and social media up to date. We also encourage families to use the F1S app to receive important and critical information from the district.

## Community Involvement

North Vista Elementary is fortunate to have an active Association of Parents and Teachers and an engaged School Improvement Council. Our students benefit from partnerships with Junior Achievement and the Boys & Girls Club and we annually support in Pennies for Patients and Trick or Treat for UNICEF.

We host special gatherings, such as Meet Your Teacher, Family Fiesta Game Night, Math Under the Big Top, Jump Rope for Heart, and Canned Food Drives, among others.

## SAFETY

The safety of our students is a top priority. The doors to our school remain locked at all times, and we utilize an automated check-in/out system, as well as a classroom call-back system. Our campus is equipped with security cameras and two-way radios, and we conduct monthly fire, evacuation, and lock-down drills.
