NOTEWORTHY

AdvancED STEM Certified School

Delmae Elementary is committed to preparing our students for the careers of tomorrow and our AdvancED STEM Certification proves it. By following a research-based framework of STEM best practices, we're driving higher levels of student achievement through continuous improvement and assessment of the quality of the STEM programs we offer.

Emerging School of Character

Our School proudly holds the distinction of being a National School of Character. Through implementation of 11 Principles of Effective Character Education outlined by Character.org, we are developing a positive culture where every student thrives.

COMMUNICATIONS & COMMUNITY INVOLVEMENT

Communications

Because consistent communication is key, we keep our website current and share important information via Blackboard. Our teachers send weekly eNewsletters, and we host popular "Chat with the Principal" events. We utilize Facebook and encourage families to use the Florence 1 Schools app.

We also share messages through Home/School Communication Folders and special events, such as Muffins for Mom and Donuts for Dad.

Community Involvement

In addition to an active Association of Parents and Teachers, we engage with our community through a variety of activities and partnerships, including Francis Marion University, Florence Darlington Technical College, and the Florence Rotary, among others. We participate in Jump Rope for Heart, Pennies for Patients, Operation Christmas, and we host "Are You Smarter Than a Fourth Grader" in partnership with First Reliance Bank.

SAFETY

Student safety is a top priority. In addition to regular visits from a School Resource Officer, we have indoor and outdoor cameras and practice monthly fire drills and quarterly lock down drills. We follow the F1S Emergency Preparedness Plan and all staff participate in safety training courses.
