Our goal: Every D86 student and staff member can receive and offer education free from violence.

There are four components to this work.

Strategy 1	Ensure all students feel a sense of belonging at school.
Strategy 2	Provide comprehensive and easy-to-access mental health resources .
Strategy 3	Implement layers of physical security measures in our buildings, in coordination with local law enforcement.
Strategy 4	Establish supports and routines to coordinate and manage this work.

Weekly E-Blast | November 14,

Celebration of Advanced Placement Capstone Diploma Recipients

At Hinsdale Central High School, 11 students have earned the AP Capstone Diploma™. In addition to the AP Seminar and Research Certificate™ during the 2023-24 school year. The AP Capstone students develop critical thinking, research, collaboration, and presentation skills that are essential for college and career success. We proudly recognize the achievements of students who participated in the AP Capstone Diploma program. Of dedicated teachers, our AP Capstone students explored their passions through scholarly research and creative projects. This meaningful college readiness program will serve our students well after graduation.

As a collective student body, our students performed exceptionally well on the College Board AP exams. This demonstration of skills and knowledge is due in large part to the work of the students in our classrooms. Congratulations to the Red Devil students and thank you HC teachers!

AP Capstone Diploma Students

Abussalah, Sinan	D'Souza, Godlyn J.	Fang, Jacqueline
Hai, Sophia A.	Hawk, Fiona E.	Joshi, Sachin K.
Krishan, Mathias A.	Shaft, Sheza S	Thomas, Ryan D.

NOVEMBER 14, 2024

Message From the Superintendent:

We Work Better, Together

To the District 86 Community,

We're nearly one third of our way through the school year, and winter and holidays will soon be upon us. This month, I want to thank you for working as a united community to benefit the students we serve.

Our primary focus, as always, is the education and well-being of our students. We are committed to providing a high-quality education and to ensuring that every student has the opportunity to succeed. We will continue to work closely with the community to ensure that we are meeting the needs of all our students.

And to the community, we are committed to providing a high-quality education and to ensuring that every student has the opportunity to succeed. We will continue to work closely with the community to ensure that we are meeting the needs of all our students.

WELCOME TO D86 COMMUNITY

Share

The Board of Education seeks to uphold and improve public education for the District 86 community by:

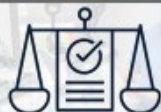

- Continuing to build trust and move the district forward.
- Functioning as an effective team with a common, focused direction.
- Continuing to build an understanding of members' individual jobs and collective responsibilities.
- Creating a district culture that supports positive change.
- Perpetuating a positive district culture that survives in the face of board member and staff turnover.

Communication about Communications

Better, Together

Next Level Of Work 2024-25

Learning and Improving

To get more input, we convened the D86 Parent-Student Curriculum Committee (“PSCC”) to consider this topic.

Membership

4 students from each school representing grades 9-12, selected from the Principal Student Advisory Committee.

4 parents from each school representing students in grades 9-12, recommended from each school's Parent Organization.

Over time, we may expand the number of parents and students as new topics arise.

Scope

The PSCC will continue to provide advice on WL issues in 2024-25.

In early 2025, the PSCC will focus on a plan to implement the future World Language graduation requirement, examine stacking of levels and years of World Language courses, and consider goals for the future.

BOARD OF EDUCATION
Parent-Teacher Advisory Committee
2024 Committee Charter

CHARTER

In 2016, the District 86 Board of Education, in accordance with the Illinois School Code and [policy 2:150 \(Committees\)](#), established the Parent Teacher Advisory Committee (PTAC) as a standing committee of the board that was charged with helping to develop student behavior policy and procedure. The committee was also charged with providing the board with information and recommendations as needed.

In 2023, with the institution of the Academic Committee, it was decided to narrow the scope of PTAC to focus on discipline, the student handbook, and other required annual reports. There will be up to 12 parent representatives (6 per school) and up to 12 staff member representatives. PTAC representatives include faculty, staff, board of education members, and parents/guardians with children in grades six through 12 in District 86 or one of the district's feeder schools.

MEMBERS

Chair: Peggy James; Members: Catherine Greenspon, Terri Walker

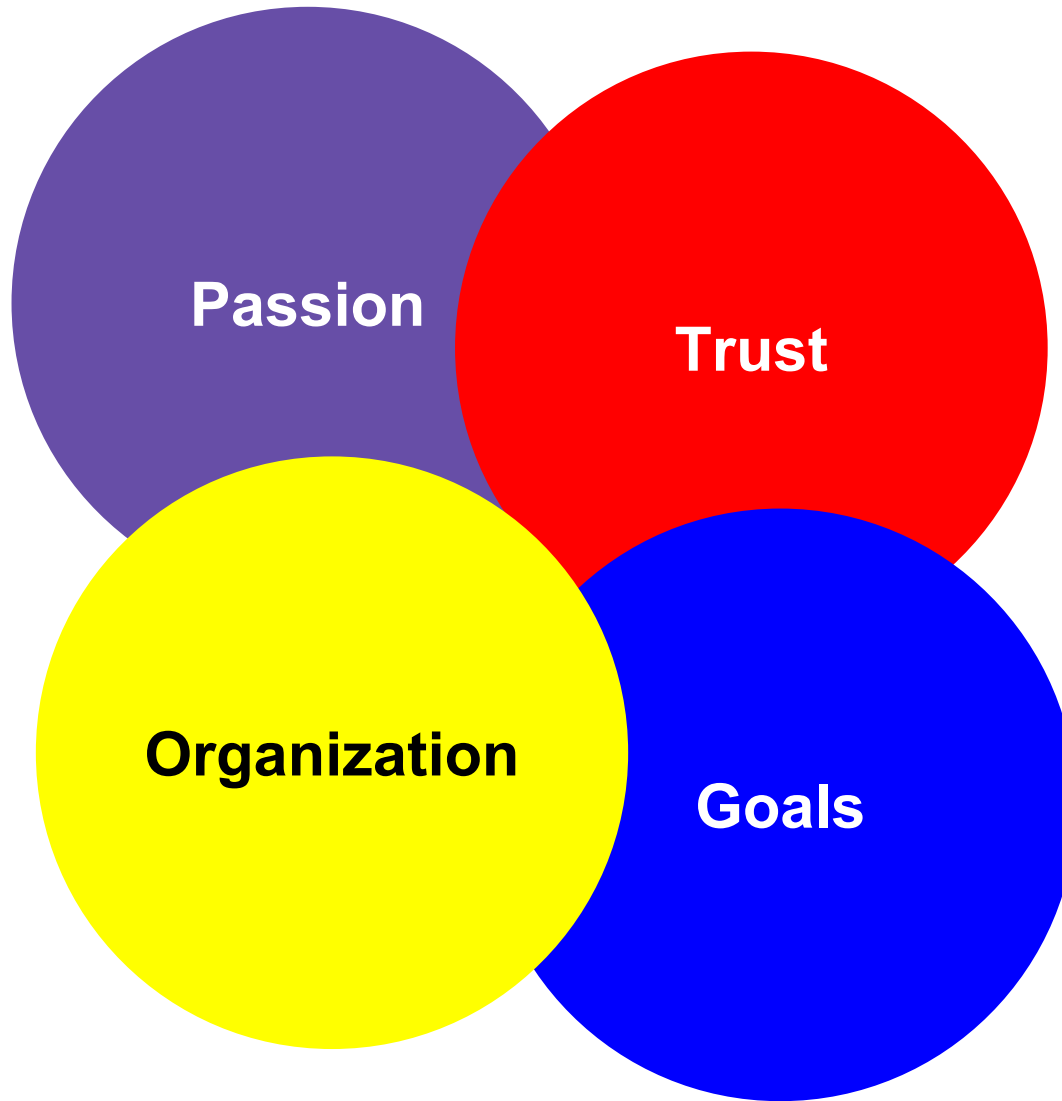

Please note that the parent/guardian, faculty/staff, and other representatives to PTAC are not voting members of the committee. As such, a quorum for conducting official committee business (e.g., voting on meeting minutes) is based solely on the attendance of the three board of education members assigned to the committee - i.e., two of the three members must be in attendance for there to be a quorum.

MEETINGS

The PTAC will meet semi-annually during the 2023-2024 school year to complete its review.

Our collective action challenge...

“Collective action occurs when a number of people work together to achieve some common objective. However, it has long been recognized that individuals often fail to work together to achieve some group goal or common good. The origin of that problem is the fact that, while each individual in any given group may share common interests with every other member, each also has conflicting interests.”

Passion

There are lots of ideas, opinions, and interest!

Trust

There is trust to be rebuilt all around.

Goals

We all want the same things, mostly.

Organization

Plenty of opportunities exist to provide input.

The Board governs, the Superintendent and staff manage.

OUR VISION

WHERE WE ARE HEADED

vidence and excellence
vision and vision:

WHAT WE WILL ACHIEVE

OUR GOALS AND STRATEGIES

WHAT IS OUR PR

Goal One	Goal Two	Goal Three	Goal Four	Goal Five
Student Growth and Achievement	Learning Environment	Work Environment	Family and Community Connections	Resource
All students are engaged in a rigorous education resulting in college, career, and life readiness	The learning environment promotes student well-being	Systems promote staff engagement, collaboration, innovation, satisfaction, and accountability	Families and the community are engaged as valued partners in the education process	Financial, facility, technological resource with District goals and core values
Key Performance Measures will be established for all goals and strategies to monitor and report progress.				
High Priority Strategies	High Priority Strategies	High Priority Strategies	High Priority Strategies	High Priority Strategies
1. Course and instructional units include common critical competencies, aligned assessments between the two high schools, and multiple measures of success	4. Optimize the school day and calendar to meet individual student needs and promote student well-being	7. Staff have new opportunities for engagement and input into critical decisions that lead to improved collaboration, communication, professional development, and system coherence	10. Communication and collaboration with families and the community give them voice and opportunities for engagement and input and create new partnerships, all of which build trust and unity in the District 86 community	12. Resources are equitably distributed to meet the needs of students as well as achieve the mission, vision, goals and strategies of the strategic plan
2. Students explore big ideas, leverage technology, make real-world connections, and use authentic ways to demonstrate their knowledge and interests	5. Students have opportunities for participating in school decisions, engagement, and responsibility for school outcomes	8. A meaningful data and information system improves goal setting, analysis, progress monitoring, and reporting of performance across all functions	11. Partnerships with the community enhance student vocational, career, and life readiness	13. Facilities make both schools equitable and optimal for teaching and learning practices
3. Students use their individual data to shape decisions about career and life readiness	6. Best practices improve student social and emotional skills, and reduce excessive stress	9. District 86 and sender K-8 districts collaborate to inform instruction and to develop a pathway linking elementary, middle, and high school experiences		14. Infrastructure, accessibility, and safety-deficiencies are addressed
				15. A sustainable maintenance and technological infrastructure plan is implemented

Understand the plan

Figure out our North Star

Like a team

the “Next Level Of Work”

Academics

4. Create a districtwide PaCE framework; create and implement a plan for college and career education for all 9th grade students in 2025-26.
5. Produce a plan that describes the future of our WL programs.
6. Produce an updated assessment strategy.

Business/Operations

7. Create a plan for summer 2025 facility renovation projects. Post referendum the district is focused on utilizing operational funds annually to maintain building infrastructure and address life safety needs.
8. Complete an external security audit and use the results to identify the most appropriate ways we can enhance the security of our students, staff, and facilities.

Communications

10. Create a video series highlighting key aspects of D86 work.
11. Create mechanisms to collect and distribute good news to stakeholders.

Governance

12. Transition from BoardDocs to D86 Community.

13. Develop a plan to update administrative and operational procedures implementing Board Policy.

14. Develop and execute a plan to continually improve our FOIA operations and make our practices more transparent.

Hinsdale Central

- 15. Conduct an examination of grading and assessment practices.
- 16. Increase the uptake and ownership for licensed staff members in our instructional coaching system.
- 17. Address chronic absenteeism.

Hinsdale South

18. Implement off campus lunch.

19. Build relationships and promote a positive, collaborative culture throughout Hinsdale South High School.

20. Make AP courses more accessible without diminishing rigor.

Human Resources

21. Implement a new principal evaluation system, create a plan to bring a new evaluation system to all administrators in 2025-26.
22. Clarify several processes around the hiring, staffing, and budgeting of athletics and activities roles.
23. Conduct a review of non-cabinet administrator and non-union employee salaries and benefits.
24. Clarify processes and procedures around (a) reporting and flagging complaints; (b) conducting investigations; (c) creating and maintaining documentation; and (d) issuing

Student Services

25. Engage in a review of the HAVEN program.

26. Engage in a system of ongoing professional learning for continuous improvement focused on the comprehensive nature of individualized education plans (IEPs).

Technology Services

- 27. Install a Network Access Control (NAC) system on all networks.
- 28. Develop a five-year technology replacement plan.
- 29. Review and update our registration processes.
- 30. Develop and deploy an internal system to quickly and flexibly visualize key student performance data in real time.
- 31. Review and evaluate the effectiveness of the Comprehensive Registration Fee
