

# **Superintendent's Report**

12/12/2024

**Safety, Security**

# Our goal: Every D86 student and staff member can receive and offer education free from violence.

*There are four components to this work.*

Strategy 1	Ensure all students feel a <b>sense of belonging</b> at school.
Strategy 2	Provide access to appropriate <b>mental health resources</b> when needed.
Strategy 3	Implement layers of <b>physical security measures</b> in our buildings, in coordination with local law enforcement.
Strategy 4	Establish supports and routines to <b>coordinate and manage</b> this work.

# When thinking about physical infrastructure, we think of layers.

74% of the 19 D86 **security staff are armed**. Armed officers are retired police.

An extensive **network of video cameras** and access control systems.

**Exterior door alarms**, which activate when a door is opened during the day.

**Classroom intercoms**, which transmit directly to the security.

A **visitor management system** to screen campus visitors.

The **BluePoint Rapid Emergency Response System** to coordinate with local first responders.

The **Safe2help tip line** to solicit anonymous information from the community.

A **School Resource Officer** to provide in-school police presence.
