

**Annual Staffing and Budget Comparison Report for School Districts
Lyon County School District**

Nevada Revised Statute (NRS) 387.12468 requires each public school district and school to create a report that includes a description of the personnel employed and services provided during the immediately preceding school year and any changes the school anticipates making to the personnel and services during the current school year. According to the statute, these reports are to be posted on the respective district or school web site.

Professional Development Provided to Teachers

During the 2023/2024 School year, professional development was provided in several ways in the Lyon County School District (LCSD) depending on the level of instruction and specialty areas. In addition, during the 2023/2024 school year, LCSD has implemented KickUp as a way to monitor and collect data on the effectiveness and types of professional development offered. KickUp has also been used to develop individual transcripts for educators for recertification credits as part of their Nevada teaching licensing requirements. Overall, from August 2023 to the present day, we have offered 487 professional development opportunities for all staff (teachers and classified). iReady - Delivering Differentiated Instruction, Sarah Swallia

Professional Development Provided to Teachers
<p>During the 2023/2024 School year, professional development was provided in several ways in the Lyon County School District (LCSD). In addition, during the 2023/2024 school year, LCSD has implemented KickUp as a way to monitor and collect data on the effectiveness and types of professional development offered. KickUp has also been used to develop individual transcripts for educators for recertification credits as part of their Nevada teaching licensing requirements. Overall, from August 2023 to the present day, we have offered 487 professional development opportunities for all staff (teachers and classified).</p>

Professional Development Provided to Teachers
<p>During the 2023/2024 School year, professional development was provided in several ways in the Lyon County School District (LCSD). In addition, during the 2023/2024 school year, LCSD has implemented KickUp as a way to monitor and collect data on the effectiveness and types of professional development offered. KickUp has also been used to develop individual transcripts for educators for recertification credits as part of their Nevada teaching licensing requirements. Overall, from August 2023 to the present day, we have offered 487 professional development opportunities for all staff (teachers and classified).</p>
