

Swift's Multisensory Math Clinic June 2025

Unlock Your Child's Math Potential with Swift's Intensive Summer Math Clinic!

Is your child struggling with math?

Swift's Multisensory Math Clinic provides a unique two-week program designed to:

- **Build a Strong Foundation:** Our intensive approach focuses on essential skills like number sense, operations, and problem-solving.
- **Develop Conceptual Understanding:** We guide students from concrete to abstract thinking, ensuring they truly grasp mathematical concepts.
- **Improve Fluency and Accuracy:** Daily practice strengthens math fact recall and boosts confidence.

Who is it for?

- **Rising 3rd & 4th Graders:** Focus on numeracy, addition, subtraction, comparing numbers, and real-world applications.
- **Rising 5th & 6th Graders:** Explore place value, multiplication, division, fractions, decimals, percentages, and basic equations.

What makes it special?

- **Multisensory Learning:** Engaging activities cater to different learning styles for maximum impact.
- **Limited Class Sizes:** Individualized attention in small groups ensures personalized support.
- **All Materials Provided:** Convenient and cost-effective – everything your child needs is included.
- **Take-Home Binder:** Packed with valuable resources, games, and manipulatives for continued learning.

Register Today!
