COMMUNICATIONS & COMMUNITY INVOLVEMENT

Communications

Communication is the key to success, which is why we update information on our website and social media channels frequently. We encourage parents and families to download and utilize the F1S app, as well as the Power School app for easy access to notifications and student grades. Additionally, our Blackboard Messenger System allows our principal to share important information.

Community Involvement

Community involvement is imperative for a thriving school environment. Sneed celebrates an active School Improvement Council, comprised of parents, teachers, and community members, which provide guidance to administration, as well as an Association of Parents, Teachers, and Students, which raises money for special projects.

Student safety is a top priority. We employ a full-time Resource Officer and a full-time Security Guard, as well as two School Nurses. A large number of our teaching staff has been trained in CPR and First Aid. We operate a Code Blue alarm to notify staff and students of a campus intruder.
