To help carry out this responsibility, the SFA is soliciting proposals for school food service management services for the 2025-2026 School Year. This Request for Proposal (RFP) is for a fixed-price contract and sets forth the terms and conditions applicable to the proposed procurement. The Offeror is herein referred to as the Food Service Management Company (FSMC). # EVALUATION AND AWARD

## 1. Evaluation Criteria

Proposals received by the published deadline will be reviewed to ensure all materials have been submitted as specified in the RFP. Proposals that fail to address all requirements or fail to include all completed forms and signed certifications will be considered nonresponsive and disqualified from further consideration. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.

Responsive proposals will be evaluated using the weighted criteria stated in the RFP. Proposals will be evaluated by a committee consisting of the SFA employees and representatives familiar with the terms and conditions of the RFP criteria and the evaluation process.

## 2. Basis of Award

The selection for contract award will be based on the evaluation criteria set forth below, as well as the cost for all deliverables, goods, services, and/or work specified in this RFP. The award will be made to a qualified and responsible Offeror whose proposal is most advantageous to the SFA's School Nutrition Program (SNP), price and other factors considered, with price as the primary factor. A responsible Offeror is one whose financial, technical, and other resources indicate an ability to perform the services required.

In determining to whom to award a contract, the SFA is not limited to selecting the proposal with the lowest cost but may consider other factors such as: (1) the extent to which the goods or services meet the SFA's needs; (2) indicators of probable vendor performance under the contract such as past vendor performance, the FSMC's past relationship with the SFA, the FSMC's financial resources and ability to perform, or the FSMC's experience or demonstrated capability and responsibility; and (3) any other relevant factor specifically listed in the RFP. While price is not the sole basis for the award, price shall be the primary consideration in the selection of the award.

The Contract may be renewed for up to four (4) additional one-year periods, with the term of the renewal commencing on July 1st following the expiration of the preceding one-year term of the Contract, upon mutual agreement between the SFA and the FSMC and subject to fulfillment of all contract terms designated herein.
- b. Renewal contracts may not be effective prior to the final approval date by TDA and signed by both parties.
- c. Failure to have renewal contracts fully executed prior to the contract expiration will lapse this contract and require the SFA to re-bid the contract.
- d. Renewal year contracts are contingent upon the fulfillment of all contract provisions. - c. Price Adjustments. Adjustments to meal prices will not be allowed in the initial term of the Contract. Fee adjustments for the upcoming Contract renewal year must use the CPI approved by TDA. No other fee increases or fees will be allowed, unless approved by TDA. Price adjustments shall be by amendment in writing and executed by both parties to the Contract.

## 3. Contract Documents

The complete contract will include the RFP (including any approved amendments or addenda thereto) and the required proposal documents submitted by the FSMC, as outlined in Section III, Subsection A, paragraph 6, of this RFP.

## 4. TDA Review

Other:

3. The FSMC's operation of the SFA's Food Service Program shall include the performance by the FSMC of all the Services described in this RFP, as a resource to, and for the benefit of the SFA's students, faculty, and staff.
4. The SFA and the FSMC agree that the Contract is neither a cost-plus-a-percentage-of- income nor a cost-plus-a-percentage-of-cost contract as required under 7 CFR §210.16(c) and 2 CFR §200.324(d).
5. If there is more than one SFA Food Service Location, the SFA shall conduct an on-site review of the counting and claiming system at each SFA Food Service Location no later than February 1st of each year. The SFA shall always retain responsibility for the counting and claiming system (reference: 7 CFR §210.8(a)(1)).
6. The SFA reserves the right, at its sole discretion, to sell or dispense food or beverages, provided such use does not interfere with the operation of the Child Nutrition Programs.
7. The FSMC shall comply and cooperate with the SFA in promoting nutrition education, health, and wellness policies, and coordinating the SFA's Food Service Program with classroom instruction.
8. Gifts from the FSMC: The SFA's officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors in accordance with all laws, regulations, and policies. To the extent permissible under federal, state, or local laws, rules, or regulations, such standards shall provide for appropriate penalties, sanctions, or other disciplinary actions to be applied for violations of such standards as outlined in the SFA's written code of conduct (reference: SP 09-2015; and 2 CFR §§200.112 and 200.318).
9. Any additional payments to the SFA or any foundations or organizations associated with the SFA that are unrelated to food services, such as money or rebates for school improvements and student scholarships, are not allowable.

## B. Food Service

1. The FSMC shall serve meals on such days and times as aligned to the SFA approved calendar and the nutrition programs the SFA has indicated in Section VI, Subsection A, Scope and Purpose, in this document as requested by the SFA.
2. The SFA shall retain control of the quality, extent, and general nature of food service.
3. The FSMC shall offer free, reduced-price, and full-price reimbursable meals to all eligible children participating in SFA's Food Service Programs indicated in Section VI, Subsection A, Scope and Purpose, Paragraph 2 herein.
4. For an FSMC to offer à la carte food service, the FSMC must offer free, reduced-price, and paid reimbursable meals to all eligible children.
5. The FSMC shall provide meals for all programs operated by the CE that meet the meal pattern set by USDA. TDA provides detailed information on applicable meal patterns in the Administrator's Reference Manual (ARM) available on the TDA website [squaremeals.org](http://squaremeals.org).
6. The FSMC shall receive no payment for meals that are spoiled or unwholesome at the time of serving, which does not meet the detailed specifications for each food component or menu item in accordance with 7 CFR §210.16(c)(3), or that do not otherwise meet the requirements of the contract.
7. The FSMC shall promote maximum participation in the Programs.
8. The FSMC shall provide the specified types of service in the schools/sites listed in Exhibit A.
9. The FSMC shall sell on the premises only those foods and beverages authorized by the SFA and only at the times and places designated by the SFA, and that meet SNP requirements.
10. The FSMC must make substitutions in the food components of the meal pattern for students with disabilities when their disability restricts their diet as stated in the students' Individual Educational Plans (IEPs) or 504 Plans and when the need for the substitution is certified by an appropriately licensed medical professional. Substitutions for disability reasons must be made on a case-by-case basis only when supported by a written statement of the need for substitutions that include recommended alternate foods unless otherwise exempted by FNS. Such a statement must be signed by an appropriately licensed medical professional (reference: 7 CFR §210.10(m)(1)(i); SP 40-2017; SP 26-2017; and SP 59-2016).

The FSMC may make a substitution for those nondisabled students who cannot consume regular breakfast or lunch because of medical or other special dietary needs. Accommodations for special dietary needs for students without medical disabilities are an SFA decision. If a substitution is made to accommodate the special dietary needs of one student, the same accommodation must be made for all students with the same dietary need. There will be no additional charge to the student for such substitutions (7 CFR §210.10(m)). (USDA, "Accommodating Children with Special Dietary Needs in the SNP Guidance for School Food Service Staff").

11. The FSMC shall make substitutions for fluid milk for non-disabled students who cannot consume fluid milk due to medical or special dietary needs. Substitutions shall be made when a medical authority or student's parent or legal guardian submits a written request for a fluid milk substitute identifying the medical or other special dietary need that restricts the student's diet. Notification of fluid milk substitutions shall remain in effect until the medical authority or the student's parent, or legal guardian revokes such request in writing, or the SFA changes its substitution policy for non-disabled students. Fluid milk substitutes shall provide nutrients as required by federal and state regulations. There will be no additional charge to the student for such substitutions (reference: 7 CFR §§210.10(d)(3) and 220.8).
12. The FSMC shall implement an accurate point of service count using the counting system provided by the SFA in its application to participate in the SNPs and approved by TDA for the programs listed in Section VI, Subsection A, Scope and Purpose, Paragraph 2, herein, as required under USDA regulations. Such a counting system must eliminate the potential for the overt identification of free and reduced-price eligible students under USDA Regulation 7 CFR §245.8(b).

## C. Use of Advisory Group/Menus

### 1. Advisory Groups

- a. The SFA is responsible for the formation and establishment, and scheduling of periodic meetings of an SFA Advisory Board composed of students, teachers, and parents to assist in menu planning as provided in 7 CFR §210.16(a)(8).
- b. The FSMC may participate in meetings of the SFA Advisory Board as deemed appropriate by the SFA; however, the FSMC shall not participate or be involved in developing a 21-day cycle menu for use in the SFA's solicitation for food service operations if the FSMC plans to respond to such solicitation.

### 2. Menus

- a. The FSMC must serve meals that follow the 21-day menu cycles that meet the food specifications contained in Food Specifications, as identified in "Exhibit F" and fully incorporated herein, and that meet the SNP requirements. The 21-day cycle menus developed and provided by the SFA allow the FSMC to determine the bid price. These menus must be followed with no changes to specifications. The menus are attached to this RFP as "Exhibit M" and are fully incorporated herein. At a minimum, such food specifications shall include: (i) a recipe for each menu item that includes the total yield, portion size, ingredients, and all USDA-required nutrient information; (ii) the identity of all branded items that may be used in the meal including all crediting information for processed items served; and (iii) whenever possible, the grade, style, and condition of each food item and other information that indicates the acceptable level of quality for each food item. A hardcopy of these recipes shall be kept on file at the SFA.
- b. The FSMC must follow: (i) the 21-day menu cycle and food developed by the SFA for the NSLP; (ii) the 21-day menu cycle and Meal Specifications developed by the SFA for the SBP; (iii) the 21-day menu cycle and Meal Specifications developed by the SFA for the After-school Snack Program; and (iv) the 21-day menu cycle and Meal Specifications developed by the SFA for the Summer Program (reference: 7 CFR §210.16(b)(1)) or any other program operated on behalf of the SFA. The FSMC shall not request any modifications to the initial 21-day menu cycle and must serve exactly what is specified and as is specified by the SFA. The FSMC agrees to reimburse the SFA for any disallowances resulting from noncompliance with the initial 21-day menu cycle.
- c. The FSMC shall serve à la carte items that meet all state and federal SNP requirements. The FSMC shall provide documentation that demonstrates all non-program foods and meals, such as à la carte items, comply with all applicable SNP requirements.
- d. No changes are allowed to the initial 21-day cycle menu. After the 21-day cycle, the FSMC may change or vary the menus for any program with prior written approval from the SFA. The SFA shall approve the menus no later than two weeks prior to service (reference: 7 CFR §210.16 and 210.10). Any changes or variances requested by an FSMC for substitutions to the SFA menu of lower quality food items shall be justified and documented in writing by the FSMC. The FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to the SFA, TDA, and USDA for review upon request (reference: 7 CFR §§210.16(c)(1) and 210.23).
- e. The FSMC must submit an FFVP cycle menu based on the information contained in the 2004 Resource, [Fruits and Vegetables Galore: Helping Kids Eat More](#), (available from the FNS website, and as described in current guidance from USDA and TDA) if operated.

## D. Purchases and Geographic Purposes

### 1. Purchases

- a. Whether the SFA conducts its procurement or whether the FSMC procures products on behalf of the SFA, the FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which the SFA would require under procurements not involving the FSMC.
- b. The FSMC must return the full value of USDA Foods to the SFA.
- c. The FSMC shall complete such purchasing activities in a manner that does not result in duplication of services or expenses in accordance with 2 CFR §200.318(d). The FSMC and the SFA shall ensure that no conflict of interest exists between the third-party purchasing agent, if any, and the SFA's contracted FSMC. The FSMC must not procure additional goods or services beyond what is stipulated in the Contract.
- d. The SFA shall ensure the FSMC shall comply with all applicable competitive bidding and open competition requirements for such purchases, as set forth in 2 CFR Part 200, including but not limited to 2 CFR §§200.318-200.327.
- e. The SFA and FSMC acknowledge that to the extent required by 7 CFR §250.17(e), 2 CFR Part 200, SP 38-2017, and SP 32-2019, the SFA must, to the maximum extent practicable, purchase only domestic food and food products for the National School Lunch Program and School Breakfast Program that are produced and processed in the United States using over 51% domestic foods, by weight or volume. As required by the Buy American provision, all products must be of domestic origin as required by 7 CFR §210.21(d). A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR §210.21(d). Exceptions to the Buy American provision should be used as a last resort; however, the SFA only may approve an alternative or exception. Requests for exception must include the: a) Alternative substitute(s) that are domestic and meet the required specifications: i) Price of the domestic food alternative substitute(s), and ii) Availability of the alternative domestic substitute(s) in relation to the quantity ordered; and b) Reason for exception: limited/lack of availability or price (include price): iii) Price of the domestic food or food product; and iv) Price of the non-domestic food or food product that meets the required specification of the domestic food or food product.

### 2. Geographic Preference

To indicate a geographic preference, the SFA (MUST CHECK ONLY ONE):

- ☐ For the contract, requires the FSMC to work with the SFA to establish a process for incorporating geographic preference in the procurement of unprocessed locally raised and locally grown agricultural products.
- ☒ For the contract, does not require the FSMC to work with the SFA to establish a process for incorporating geographic preference in the procurement of unprocessed locally raised and locally grown agricultural products.

### 3. Fresh Fruit and Vegetable Program (if applicable)

- a. If applicable, the FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for the SFA or TDA review. Cost should be broken into two categories: (1) Operational Cost and (2) Administrative Cost.
  - i. Operational costs should cover the primary cost to run the FFVP to include the purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges; non- food items or supplies that are used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables and in maintaining a sanitary environment.
  - ii. Administrative costs are used principally to support planning and managing the program. The SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits and vegetables in accordance with applicable law and regulations; and (v) do not request reimbursement for more than 10% for Administrative Costs. TDA will monitor the SFA and the FSMC to ensure strict compliance with this provision.

## E. USDA Foods

1. The SFA shall retain title to all USDA Foods.
2. The USDA Foods in Schools program supports domestic nutrition programs and American agricultural producers through purchases of 100% American grown and produced foods for use by schools and institutions participating in the National School Lunch Program among other programs.
3. The SFA shall ensure that all federally donated foods received by the SFA and made available to the FSMC accrue only to the benefit of the SFA's nonprofit school food service and are fully utilized therein (reference: 7 CFR §210.16(a)(6)).
4. The SFA shall ensure USDA Foods or processed end products containing USDA Foods shall not be used for catering or special functions conducted outside of the nonprofit school food service operation.
5. The SFA shall assure that the maximum amount of USDA Foods is received and utilized by FSMC (reference: 7 CFR §210.9(b)(15)).
6. The SFA shall ensure the FSMC has credited the SFA for the value of all USDA Foods received for use in the SFA's meal service in each School Year, (including both entitlement and bonus foods) regardless of whether the USDA Foods have been used. The value of the USDA Foods received shall appear as a credit on the invoice for the month in which the donated food was received. This must include the value of USDA Foods contained in processed end products, in accordance with the contingencies in 7 CFR §250.51(a).
7. The SFA shall maintain final responsibility for management and oversight of the procurement for processing agreements, private storage facilities, or any other aspect of financial management relating to USDA Foods (reference: 7 CFR §§210.16 and 250.50(d)).
8. The FSMC will not itself enter into the processing agreement with the processor required in Subpart C of 7 CFR Part 250; 7 CFR §250.53(a)(8).
9. The FSMC will conduct all activities relating to USDA Foods for which it is responsible in accordance with 7 CFR Parts 250, 210, 220, 225, and 226, as applicable.
10. Crediting of USDA Foods (Direct Delivery, Processing, DOD Fresh Fruit and Vegetable Program). FSMC shall credit SFA monthly for the value of USDA Foods using the following methods to determine the donated food values:
  - a. The value of USDA Foods contained in end products is the price of such foods as listed at the time of order on USDA's Average Price file for the applicable program year (reference: 7 CFR §§250.50(c) and 250.53(a)(3)).
  - b. All refunds received from processors shall be credited on invoices as separate line item entries submitted to the SFA's Nonprofit School Food Service Account (reference: 7 CFR §250.51(a-b)).
  - c. The value of USDA Foods received through the Department of Defense (DOD) Fresh Fruit and Vegetable program is the price of such foods as listed at the time of order in USDA's Fresh Fruit and Vegetable Order Receipt System (FFAVORS Catalog).
  - d. The value of USDA Foods received through Direct Delivery is the price of such foods as listed at the time of order on USDA's Average Price file for the applicable program year.
  - e. The method used to determine the donated food values may not be revised or negotiated. Such revisions would result in a material change and necessitate rebidding the contract.
11. The FSMC must accept and use all USDA donated ground beef and ground pork products, and all processed end products in the SFA's Food Service Program, and must use all other donated foods, or commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the donated foods, in the SFA's food service (unless the contract specifically stipulates that the donated foods, and not such commercial substitutes, be used). Upon termination of the Contract, or if the Contract is not extended or renewed, FSMC must return all unused donated ground beef, pork, and processed end products to SFA (reference: 7 CFR §§250.51(d), 250.52(c) and 250.53(a)(5)).
12. The FSMC further agrees to accept and use all other USDA Foods in SFA's food service. The FSMC may or may not use (substitute) commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA Foods, in SFA's Food Service Program (reference: 7 CFR §250.53(a)(6)).
  - a. The SFA shall consult with the FSMC in the selection of USDA Foods; however, the final determination as to the acceptance of USDA Foods must be made by the SFA.
  - b. Upon termination of the Contract, the FSMC must, at SFA's discretion, return other unused USDA Foods to the SFA. The value of other unused USDA Foods shall be based on the market value of all USDA Foods received for use in the SFAs food service. The market value shall be provided to the SFA by TDA (reference: 7 CFR §250.51(a)). The average material prices are listed by school year and used by processors participating in the USDA Foods processing program. The file provides the value of the material and is used on their Summary End Product Data Schedules.
  - c. At the end of the year, the FSMC shall reconcile the value of USDA Foods received against credits provided on monthly invoices. The contractor shall provide final credit of any balance due to the SFA. The total credit given for USDA Foods in each year must equal the USDA Foods, including bonus foods, received to the SFA. The credits must also encompass any transfers from other SFA and/or the state agency accepted in excess of directly received USDA Foods.
13. The FSMC shall have records maintained and available to substantiate the receipt, use, storage, and inventory of USDA Foods. The FSMC must submit to the SFA monthly inventory reports showing all transactions for processed and non-processed USDA Foods. Failure by the FSMC to maintain records as required by 7 CFR §250.16 shall be considered prima facie evidence of improper distribution or loss of USDA Foods and the FSMC shall be subject to the provisions of 7 CFR §250.13(e). The FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA Foods.
14. If the FSMC acts as an intermediary between a processor and the SFA, the FSMC shall credit the SFA for the value of USDA Foods contained in the processed end products at the USDA processing agreement value, unless the processor is providing such credit directly to the SFA. The FSMC will issue all such credit in full prior to the expiration of each Contract Term. Any extensions or renewals of the contract, if applicable, are contingent upon the fulfillment of all contract provisions related to foods.
15. The FSMC will comply with 7 CFR §§250.14(b), 250.52, and 250.53(a)(9) concerning storage and inventory management of USDA Foods. Failure by the FSMC to maintain the required records under the Contract shall be considered prima facie evidence of improper distribution or loss of USDA Foods.
16. The FSMC will comply, as applicable, with 7 CFR §§250.51 and 250.52 concerning payment of processing fees or submittal of refund requests to a processor on behalf of the SFA, or remittance of refunds for the value of foods processed in products to the SFA, in accordance with requirements in 7 CFR Part 250 Subpart C.

17. The FSMC shall allow the SFA and/or any state or federal representative or auditor, including USDA or their duly authorized representatives, to perform onsite reviews of the FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA Foods (reference: 7 CFR §250.53(a)(10)).
18. The FSMC shall maintain records to document its compliance with requirements relating to USDA Foods in accordance with 7 CFR §§250.54(b) and 250.53(a)(11).
19. The FSMC acknowledges that the renewal of the Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA Foods (reference: 7 CFR §250.53(a)(12)).

## F. Employees

1. The FSMC shall provide and pay a staff of qualified, trained management (and operational) employees assigned to duty on the SFA's premises for the efficient operation of the Programs.
2. The SFA must designate if current SFA employees, including site and area managers as well as any other staff, will be retained by the SFA or the FSMC.

Employees shall be retained by: (check only one)

- ☐ SFA ([See Exhibit C, Chart 2](#))
- ☐ FSMC ([See Exhibit E](#))
- ☒ Both SFA and FSMC ([See Exhibit C, Chart 2](#), and [Exhibit E](#))

3. Each position engaged in or required for operating the Program(s) shall be identified, including whether the position is SFA or FSMC personnel, in Chart 2 of Exhibit C, which is attached to this RFP and fully incorporated herein.
4. If the FSMC is required to retain labor for the operations, each position that will be transitioned from the SFA to the FSMC shall be identified by the SFA in Exhibit C, Chart 2 and Exhibit E Part 1, which are attached to this RFP and fully incorporated herein. The FSMC shall include the methodology or details regarding how labor will be transitioned to the FSMC in Exhibit E Part 2. Such items shall include salary, benefits, withholding requirements, and expected date of transition (or contract year).
5. For any employee positions that will be hired by the FSMC, SFA shall provide in Exhibit E a list of each FSMC food service position and the minimum qualifications acceptable to the SFA for each position. The SFA shall have final approval regarding the hiring of the following positions assigned to the Food Service Program. List positions or N/A:

Lead Area Supervisor

6. Any food service position not identified in the above-stated exhibits shall be an employee of the SFA. Such employees shall be supervised on the SFA's behalf by the FSMC management employees; provided, however, that the SFA shall retain the exclusive right to control the terms and conditions of the employment of such supervisory and non-supervisory employees, including, but not limited to, control over their hiring, firing, promotion, discipline, levels of compensation and work duties.
7. If the SFA is sharing the FSMC employees with other SFA, the SFA shall identify in Chart 6 of the Exhibit C: Charts which is attached to the Contract and fully incorporated herein, each SFA with whom the FSMC employee is to be shared and state the percentage of time each employee will spend with each SFA. The SFA's budget shall reflect the percentage of time each employee will work at the SFA and for which SFA will be charged.
8. The FSMC shall comply with all wages and hours of employment requirements of federal and state laws. The FSMC shall be responsible for supervising and training personnel, including SFA-employed staff outside of TDA resources. Supervision activities include employee and labor relations, personnel development, and hiring and termination of the FSMC management staff. The FSMC shall also be responsible for the hiring and termination of the non-management staff who are employees of the FSMC.
9. If a transition occurs, the FSMC shall give first consideration to current employees of the SFA or incumbent contractor when hiring employees to provide services pursuant to the Contract, but the FSMC shall not be obligated to hire such employees. The SFA shall not pay the cost of transferring the SFA employees to the FSMC payroll.
10. The FSMC shall provide Workers' Compensation coverage for its employees, as required by law.
11. The FSMC shall instruct its employees to abide by the policies, rules, and regulations with respect to the use of the SFA's premises as established by the SFA and which are furnished in writing to the FSMC.
12. The FSMC shall maintain its personnel and fringe benefits policies for its employees, subject to review by the SFA.
13. The FSMC shall assign to duty on the SFA's premises only employees acceptable to the SFA.
14. Staffing patterns, except for the Food Service Director, shall be mutually agreed upon.
15. The FSMC will remove any employee who violates health requirements or conducts himself or herself in a manner that is detrimental to the well-being of the students, provided such a request is not in violation of any federal, state, or local employment laws. In the event of the removal or suspension of any such employee, the FSMC shall immediately restructure the food service staff to avoid disruption of service.
16. The FSMC shall require all its employees assigned to duty on the SFA's premises to submit to health examinations as required by law and shall submit satisfactory evidence of compliance with all health regulations to the SFA upon request.
17. All SFA and FSMC personnel assigned to the food service operation in each school shall be instructed in the use of all emergency valves, switches, and fire and safety devices in the kitchen and cafeteria areas.
18. To the extent and in the manner required by state law, the FSMC shall perform a security (background) check on any FSMC employee that will be working at the SFA.
19. The FSMC shall not blacklist or require a letter of relinquishment or publish or cause to be published or blacklisted any employee of the FSMC or the SFA discharged from or voluntarily leaving the service of the FSMC or the SFA with the intent of and for the purpose of preventing such employee from engaging in or securing similar or other employment from any other corporation, company, or individual.
20. Both the SFA and the FSMC shall ensure that their employees adhere to the professional standards and continuing education training requirements as required by federal regulations, codified at 7 CFR §210.30, throughout the initial term and all renewals of the Contract. School Food Authorities that operate the National School Lunch Program, or the School Breakfast Program must establish and implement professional standards for SNP directors, managers, and staff, as defined in 7 CFR §210.2. Both the SFA and the FSMC shall establish and implement the foregoing standards and requirements under the Contract. Under this provision, the FSMCs must provide technical training to staff outside of TDA training.

#### G. Use of Facilities, Inventory, Equipment, Storage, and Utilities

1. The SFA will make available, without any cost or charge to the FSMC, area(s) of the premises in which the FSMC shall render its services. The SFA shall always have full access to the food service facilities and for any reason, including inspection and audit.
2. At the commencement, termination, or expiration of the Contract, the FSMC and the SFA shall take a physical inventory of all non-expendable supplies and capital equipment owned by the SFA, including, but not limited to, silverware, trays, chinaware, glassware, and kitchen utensils and all furniture, fixtures, and dining room equipment utilized in the SFA's Food Service Program. The FSMC and the SFA shall mutually agree on the usability of such supplies and equipment and, at the expiration or termination of the Contract, the FSMC shall surrender to the SFA all non-expendable supplies and capital equipment in the condition in which it was received except for ordinary wear and tear, damage by the elements and except to the extent that said premises or equipment may have been lost or damaged by vandalism, fire, flood or other acts of God, or theft by persons other than employees of the FSMC except through the negligence of the FSMC or its employees, or for any other reason beyond the control of the FSMC. The FSMC and the SFA will sign a summary of the beginning inventory at the commencement and the expiration or termination of the Contract and keep a copy of each on file with the Contract.
3. At the commencement and the expiration or termination of the Contract, the FSMC and the SFA shall jointly undertake a beginning and closing inventory of all food and supplies. USDA Foods shall also be inventoried by a separate inventory. The FSMC and the SFA shall determine whether any portion of the beginning inventory is not suitable for the SFA's continued use. Such inventory, when completed, shall become a part of the Contract by incorporation. The FSMC shall be responsible for accounting for any difference between the beginning inventory and the ending inventory and shall compensate SFA for any shortfall in inventory not arising from (1) normal wear and tear; or (2) theft, fire, or other casualty loss beyond the control of FSMC and not arising from the negligence of FSMC or its agents. The value of the inventories, except for USDA Foods inventories, shall be determined by invoice cost. The value of USDA Foods inventories shall be the market value, which is the value in USDA's Electronic Commodity Ordering System (ECOS) at the time the USDA Foods are received by SFA. Upon termination of the contract, the FSMC cannot remove any USDA Foods from the SFA.
4. During the Contract, title to all the SFA food and supplies shall remain with the SFA.
5. The FSMC shall maintain the inventory of silverware, chinaware, kitchen utensils, and other operating items necessary for the food service operation and at the inventory level as specified by the SFA.

## Exhibit D: Designation of Program Expenses

This exhibit represents the expenses the SFA has deemed are the responsibility of the FSMC and must be included in their fixed meal price offer as part of the bid specifications. When the SFA applies an X in a selected expense column, either the FSMC or the SFA will be responsible for the specified expense during the life of the contract. Only one choice for each expense. The SFA and the FSMC cannot both be checked for an expense. If the expense does not apply check N/A.

The meal prices in this proposal must not consider the value of USDA Foods that the FSMC may receive for use during the year. FSMC will fully credit SFA for the value of USDA Foods received for use. The FSMC acknowledges that the contract will be awarded based primarily on the lowest proposed Total Cost to SFA, shown below, combined with SFA's evaluation of non-price criteria specified in the RFP.
