

THE EAGLE'S NEST!

February 2025

A note from the Principal:

Welcome to February!

We are excited to have many opportunities for families to get and stay involved. Whether it's working with teachers, helping in our eagle buck store, attending SIC meetings or simply reading to a class we need your support. Check the Sumter School District website to complete a volunteer pack form, come in, and help make a difference with great teaching and learning. With a few minutes of your time we encourage you to complete the recent survey that was shared via text and on social media. Your feedback and involvement is crucial to our success. The month of February is an exciting time as we take off with our black history studies and our program. Our program, on Feb. 25th will be a culminating exciting event where students can showcase their talents and hard work. Consider coming to the program and showing your support. As always, please follow us on all social media platforms and continue to be the strong beacon of support that we have become accustomed to having.

Important Info:

Today (1/31) is the last day to complete the Parent Cognia Accreditation Survey. We would love to have your feedback included! Also please note the updated inclement weather make up days.
