Welcome back to school and 3rd quarter! This is a great time of learning for our students. Teachers have prepared for this quarter in response to your student's growth from 1st semester. Your child's on-time attendance each day at school is vital to their success. Thank you for making this a priority for your child!

#### **Panorama Family Survey:**

Dear Thunder Mountain Families,

Our district values your feedback and invites you to participate in our Family-School Relationship Survey. This survey is designed to gather your insights on the effectiveness of our schools and district. Your insights will help us ensure we provide high-quality, rigorous learning experiences that meet the needs of our students and prepare them for college and career success.

The survey takes just a few minutes to complete and will remain open until January 17, 2025. You can complete it online using a computer, tablet, or smartphone, either at home or at your child's school. If you have students in multiple schools, we encourage you to complete the survey for each school connected to your family.
