This document is a Request for Proposal (RFP); it is not an Invitation to Bid (ITB). In determining the meaning of statements contained in this document, please carefully consider the strict meaning of words such as: must, shall, will, should, might, could, require, suggest, etc. The District encourages Service Providers to propose solutions as they see fit and that best provide a solution to the District's needs. The classification of the entire proposal document, line-item prices and/or total proposal prices as proprietary or trade secret information is not acceptable and may result in rejection of the proposal as nonresponsive. VIII. PROPOSAL EVALUATION CRITERIA

Upon receipt of all proposals, by the date and time specified in the RFP, the District's Chief Procurement Officer shall review all proposals for responsiveness to the proposal instructions. The District shall retain the right to consider any proposal as non-responsive based solely on its judgment that the proposal does not satisfactorily meet the criteria of the proposal instructions or the District's Procurement Code.

Proposals will be evaluated on the basis of the following evaluation criteria which are listed in order of importance. The award will be made to one or more vendor(s) whose proposal(s) are determined to be most cost effective to the District. All bids will be reviewed for purposes of determining responsiveness and responsibility. For purposes of responsibility, all information given by the proposer concerning its availability and capability to perform fully the contract requirements and the integrity and reliability of the proposer will be reviewed. The submission of a proposal for review does not necessarily qualify the proposer or proposal as being responsive or responsible. Failure to provide specific information, as requested, for use in our evaluation will cause your proposal to be disregarded.

If necessary, the highest-ranking offeror(s) may be asked to give presentations to the evaluation team. Upon completion of the demonstrations, Offeror responses may be re-evaluated based on any clarifications of the solution being offered to the District for a final evaluation.

Lowest Corresponding Price Certification

To Whom It May Concern:

Lowest corresponding price (LCP) is defined as the lowest price that a service provider charges to nonresidential customers who are similarly situated to a particular E-Rate applicant (school, library, or consortium) for similar services. See 47 CFR [Part 54](#) Section 54.500(f).

- A similarly situated E-Rate applicant is one that is located in the service provider's geographic service area, i.e., the area in which the service provider is seeking to serve customers with any of its E-Rate services. See [First Report and Order](#), 12 FCC Rcd 8776, 9032, para. 486.
- Similar services include those provided under contract as well as those provided under tariff. First Report and Order, 12 FCC Rcd 8776, 9032, para. 485. See also [Fourth Order on Reconsideration](#), Report and Order 13 FCC Rcd 5318, 5398, para. 133).

Service providers cannot charge E-Rate applicants a price above the LCP for E-Rate services. See 47 CFR Section 54.511(b).

This ensures that:

- Service providers do not charge E-Rate applicants more than they would charge their other non-E-Rate services customers for the same services. See First Report and Order, 12 FCC Rcd 8776, 9031-32, para. 484; and
- Any lack of experience in negotiating in a service market does not prevent E-Rate applicants from receiving competitive prices. See First Report and Order, 12 FCC Rcd 8776, 9031, para. 484.

A service provider – regardless of the size of the company or the category of service provided – must ensure that the LCP is provided to E-Rate applicants. The applicant is not obligated to ask for it, but must receive it. See [Federal-State Joint Board on Universal Service](#) , 12 FCC Rcd 87, 383, para. 540.

I am a duly authorized officer of the company that supplied the goods and/or services proposed herein and by signing below am certifying compliance with 47 C.F.R. § 54.511, aka, Lowest Corresponding Price.
