2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

Center Flyers are . . . Learners today, leaders tomorrow!

At Center, we partner with our community, PTA and many other parent groups. Our PTA is an integral part of our educational program and school community plans many great activities and events throughout the school year. We are proud of our PBIS Program, our Playworks Program, our Robotics Program, our partnership with Anchored4Life, and our active Student Council.

Profile

2024-25 School Description and Mission Statement

Center is one of five elementary schools in the Travis Unified School District. The school was built in 1958, and presently has 26 classrooms. The site has a very large playground and also 4 acres of grassed playing field on the top deck. Currently, there are approximately 590 Transitional kindergarten through sixth grade students enrolled.

Community support for the school is strong, especially in support roles. Community members provide direct support to students and teachers by working in the classrooms and the Library Media Center. The Parent Teacher Association has been very active and has provided fundraising activities which have helped support field trips, assemblies, and seasonal events.

Center Elementary Vision
Learners today, leaders tomorrow.

Center Elementary Mission Statement

The Center Elementary school community is committed to the academic achievement of ALL students. We develop respectful, caring, empowered thinkers who are engaged in their own learning and ready for the challenge of a diverse, ever-changing global society. Our school promotes a safe, respectful, responsible and kind environment that establishes high expectations for student success, provides differentiated support for students and embraces a high level of family involvement.

We are . . . Caring Empowered Noble Thinkers Engaged Respectful

Travis Unified School District Goals

Focus on instructional and institutional excellence to promote equity for all, close the achievement gap, and improve student learning in preparation for opportunities beyond high school including college and career.

Ensure a safe and productive environment using support systems to maintain calm classrooms focused on learning and to enhance student social and emotional wellness.

Enhance constructive communication within and outside the school community with a special focus on involving parents as active partners in their child's education.

Provide basic services and manage resources responsibly while maintaining the collaborative budget process.

Enhance, create, and modernize facilities that support lifelong educational programs.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Travis Unified School District held a public hearing on September 26, 2023 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

Center Elementary is an older school but is in good shape. Our school custodians keep our school clean and the district keeps our site in good repair. New exterior doors were installed in April 2023 which were a significant upgrade to our previous doors. Our playgrounds and surface material under the playgrounds need repairs/replacement.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

We have a high level of parent engagement and involvement at Center Elementary School. There are numerous opportunities for parent involvement. Parents can volunteer in the classroom, on the playground, on field trips, at special events, or with the PTA. They can also participate on our School Site Council assisting in the budget, School Site Plan and Safety Plan. Parents of English Language Learners have the opportunity to participate on the English Language Learner Advisory Committee or on the district level committee. Fathers, uncles and grandfathers can participate in the Watch Dog Dad's group and volunteer in a variety of ways. The Superintendent's Advisory Committee, The Budget Advisory Group, and the Facility Committee include parent representatives from Center. Our school also benefits from partnerships with local businesses and services in our local community.

Contact Information:

Parents who wish to participate in Center Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the school at (707) 437-4621.

2024-25 School Safety Plan

The safety of students and staff is a primary concern of Center Elementary School. The Comprehensive School Site Safety Plan is evaluated and revised annually in the fall by the principal and members of the School Site Council (SSC). The revisions are then shared with the entire staff. This year, the Comprehensive School Safety Plan was reviewed, updated and approved

2024-25 School Safety Plan

by the School Site Council on December 17, 2024 and was sent to the District for review. The final step is approval of our Comprehensive School Safety Plan by the School Board. Key elements of the Safety Plan are the school's physical environment, social environment, cultural environment, and the Emergency Response Team. Included within the School Site Safety Plan is a disaster preparedness plan which lays out steps that are to be taken to ensure student and staff safety during a disaster. Our Emergency Plan follows the National Emergency System model. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a regular basis throughout the school year. Students are supervised before-and-after school and during recess by staff. During lunch, staff and noon duty supervisors monitor students. In addition, we also have traffic supervisors after school to ensure student safety for during dismissal times. All visitors to the school must sign in first at the school office and receive a visitor's badge.

Fiscal Year 2023-24 Types of Services Funded

Travis Unified receives funding through the Local Control Funding Formula (LCFF), including Supplemental Grant Funding (SGF), which is designated to support high-needs student populations such as English learners, foster youth, and homeless students. Additionally, the district receives federal Title I funds, which are allocated to qualifying school sites per the methods described by the California Department of Education. These funds are used to provide targeted instruction, support struggling students, and fund professional development. Title II funds are allocated for professional development across the district, while Title III funds focus on services and programs for English learners. Some funding is also allocated to support Special Education programs.

As part of LCFF, districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP) along with an LCFF Budget Overview for Parents. These documents outline how the district uses its resources to address the eight state priority areas, ensuring improved outcomes for all students, including specific subgroups.

The eight state priority areas include student achievement, implementation of state standards, student engagement (such as attendance and dropout rates), school climate, parent involvement, basic services, course access, and other locally identified student outcomes.
