

Class Placements

Coyote Ridge reviews class placements during the spring semester. Each student placement is well thought out by current grade level teachers & administration for the following year.

Post cards were mailed to the residence currently in Skyward. If you have not received your child'd placement, you can find this information through the Skyward Family Access page:

http://tech.lisd.net/apps/pages/index.jsp?uREC_ID=167853&type=d&pREC_ID=378109

Due to fluctuations on student enrollment, changes may need to occur through the first 3 weeks of school.

As always, thank you for your support and cooperation!
