Injuries to Students, Parents, Volunteers and Visitors

The Texas Tort Claims Act states that school districts in the State of Texas are immune from any liability because of bodily injury or property damage which occurs as the result of the operation of the school district except for the operation of motor vehicles - §101.051 Civil Practices & Remedies Code.

As a result, Lewisville ISD is not financially responsible for any injury to a student, parent, volunteer, or visitor that occurs on any property owned by Lewisville ISD, or while the injured party was under the supervision of the District, unless the injury was the direct result of the District's use of a motor vehicle. If you have questions concerning an injury or property damage that occurred on property owned by Lewisville ISD, please contact the District's Insurance Office at 469-948-8104.

Lewisville ISD does maintain student accident insurance for students participating in UIL activities – 7th grade through 12th grade – Maximum $25,000 per injury.

Any student that is injured as the result of participating in the above activities is covered on a secondary basis by a policy purchased by Lewisville ISD. Parents must first file on their own insurance. The District's accident policy will only pay after the parent(s) has filed on their own policy and submits proof.

In addition to the accident policy purchased by Lewisville ISD to cover students that participants in the above activities, Lewisville ISD makes available each year a voluntary accident policy that parents can purchase for their children. For more information about the voluntary accident policy, go to www.sas-mn.com or call 800-366-4810. Parents can also contact the LISD Insurance Office to obtain a brochure explaining the voluntary accident policy.

If you have questions regarding the District's UIL/Camp insurance or the voluntary accident insurance available to students, please call the District's Insurance Office at 469-948-8104.
