School Responsibilities

Peters Colony Elementary School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

All Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child.

2. Hold parent-teacher conferences (at least annually) in elementary schools during which this compact will be discussed as it relates to the individual child's achievement.

3. Provide parents with frequent reports on their children's progress.

4. Provide parents reasonable access to staff.

5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as outlined in the Student Handbook.
