Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Park View Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California school is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Park View Elementary's original facilities were built in 1963; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. The District Governing

# of Portable Classrooms	4
# of Restrooms (student use)	7

Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or on the Internet at www.sivalleyusd.org.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

2023-24 Campus Improvements
 • Modernization of all classrooms

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one part-time evening custodian are assigned to Park View Elementary. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SUPERVISION & SAFETY

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal and campus supervisors are strategically assigned to designated entrance areas and the playground. During recess and lunch, campus supervisors monitor playground activity. At the end of the day when students are dismissed, campus supervisors monitor student behavior to ensure a safe and orderly departure.

Park View Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the visitor management system and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Park View Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and

dress code policy. The school's school safety plan is reviewed, updated, and discussed with school staff each year by March 1st.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Park View Elementary School took place on July 23, 2024. The School Facility Good Repair Status table illustrated

in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2024-25, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Park View Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Park View's PBIS behavior matrix is based upon Be Safe, Be Responsible, and Be Respectful. Monthly assemblies are held for Character Strong based upon tickets being issued for caught exhibiting a Character Strong trait. Posters and banners with these traits are posted in the classrooms and throughout the campus.

The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone, including students, teachers, administrators, or other adults will not be tolerated by any circumstances. Administrators will respond to all reports of alleged bullying in a timely manner.

CHRONIC ABSENTEEISM

The chart in this report identifies the chronic absenteeism rates by student group for Park View Elementary School for the 2023-24 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CLASS SIZE DISTRIBUTION

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Park View Elementary supports ongoing professional growth throughout the year during Professional Learning Communities (PLC) time. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Park View Elementary offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Simi Valley Unified School District are currently being aligned to the California State Standards. Instructional materials for core content areas are approved by the district's Board of Education. The district follows the State Board of Education's adoption cycle for core content materials and for textbook adoptions in foreign language, visual and performing arts, and health.

On September 10, 2024, the Simi Valley Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students.
