By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

School Description and Mission Statement (School Year 2024–25)

Baldwin Elementary empowers all students to embrace learning while fostering an inclusive, compassionate and nurturing environment where all students achieve their personal best and build their social-emotional and physical well-being.

The fundamental aim of our educational program is to ensure that each student possesses the competence and confidence that would guarantee success at the next level while building and maintaining their social-emotional well being. Together in partnership with our families and community at large, we strive to build an environment that fosters independence and responsibility to meet the academic, social and emotional needs of our diverse learners, preparing them for success in life.

Additionally, we work closely with our educational partners throughout the district and analyze student performance data on an ongoing basis. Five goals, outlined below, have been identified as the focus within our current three year LCAP plan to improve outcomes for all students. Goal 1 - All students will be proficient in meeting and/or exceeding all Common Core State Standards. Goal 2

- We will accelerate the academic achievement toward meeting or exceeding standards for English Learners (EL), low socioeconomic disadvantaged students, Foster Youth, and students of color, as well as increase the language proficiency for EL. Goal 3 - We will provide an inclusive learning environment for students with disabilities to best support social, emotional and academic development. Goal 4 - We will actively engage parents and community members in supporting the implementation of CCSS instruction and providing input to program decisions. Goal 5 - School and classroom environments support learning, creativity, safety, and engagement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	20.80	95.42%	385.40	91.56%	228366.10	83.12%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2024–25)

All adopted materials use the Common Core standards and apply to all public schools in the state—the textbooks we use, and the tests we give are based on these content standards. You can find the content standards for each subject at each grade level on the California Department of Education (CDE) website. Textbook selection involves a committee of teachers reviewing potential resources to determine alignment with the state-approved instructional framework for each content area. Resources that best meet alignment criteria are selected to be piloted in classrooms. Data is collected and evaluated, and the committee recommends approval to the Board of Education.

Year and month in which the data were collected: August 2024

School Facility Conditions and Planned Improvements

Baldwin Elementary has a large central building with classroom wings extended at the ends. The site also holds several classroom portable buildings.

At the time of inspection, the campus found to be in overall Good condition. Work orders were submitted to address lighting relamps.

School Facility Good Repair Status

At the time of inspection, the campus found to be in overall Good condition. Work orders were submitted to address the lighting relamps.

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: January 2025

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2022– 23	School 2023– 24	District 2022– 23	District 2023– 24	State 2022– 23	State 2023– 24

Mathematics (grades 3-8 and 11)	40%	49%	41%	41%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group for students taking and completing state-administered assessment Grades Three through Eight and Grade Eleven (School Year 2023–24)

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2023–24)

Percentage of Students Participating in each of the five Fitness Components

For the SARC reporting year (2021–22), the percentage of students participating in each of the five Fitness Components is reported below.

The formula for the participation rate (percent) of students meeting each of the five FITNESSGRAM Components, by grade is:

$$\frac{\text{(The number of students who participated in the FITNESSGRAM Component)}}{\text{– divided by –}} \text{(The total number of students enrolled at time of testing)}$$

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5	98%	98%	98%	98%	98%

Note: The administration of the PFT requires only participation results for these five fitness areas.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2024–25)

We will actively engage families and community members in supporting the implementation of CCSS instruction, and providing input to program decisions. Parent involvement at the school site is important for the success of students. For many parents it is difficult to attend school functions and/or volunteer at the site. We need to provide as many varied opportunities as possible for parents to be informed and involved. We have worked hard to engage our families through the following educational partnership meetings: -Family Nights: Literacy, Science, Math, STEAM, Multicultural Day-SSC Meetings -HASC Meetings-ELAC Meetings-Habla -Koffee Klatch Meetings -SEAL workshops and gallery walks about the strategies, curriculum and home connections We also communicate with parents via the School Web Page, Parent Web Page and Facebook, Marquee, Monthly Newsletter, Parent Square, phone, and email. In addition, our Book of the Month will focus on the social-emotional wellbeing of our students and the social justice standards around identity and activism. Our Family Engagement Committee helps to plan activities to engage our community as well.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2023–24)

School Safety Plan (School Year 2024–25)

The School Site Council met on January 9, 2025 to approve the Safe School Plan. It was decided that Goal 1 would focus on increasing the safety of all students and staff by purchasing walkie talkies for all classrooms and office staff. Our Goal 2 will remain the same with additional updates to our ARC supplies. Goal 3 will continue to center around providing mental health supports for students and families.
