2023–24 School Accountability Report Card
Reported Using Data from the 2023–24 School

Address:	6610 San Ignacio Ave. San Jose, CA , 95119- 1935	Principal:	Ms. Tamara Unck, Principal
Phone:	(408) 578-5731	Grade Span:	7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

School Description and Mission Statement (School Year 2024–25)

Bernal Intermediate School believes that teaching and learning needs to occur in safe environments that support the overall needs of students and adults. Schools, home and community share responsibility for student success through proactive communication and respected “voice” for all stakeholders. At Bernal, teachers and staff maintain high expectations around the belief that all students can, and will, meet and exceed academic and behavioral standards, given the right support. Teachers and staff engage in year round interdisciplinary teams with clear standards of professional practice, monitoring, and accountability. Teachers and staff support each other around instruction and school climate. All students will have access to rigorous curriculum and assessments that are directly aligned to the standards. Instruction uses students’ prior knowledge, learning styles, and cultural background.

Our core values remain focused on rigorous instruction, safe school environment, collaborative planning and learning, and pride in who we are as

a school. Student outcomes are at the center of what we do. Through an interactive and developmental approach, we work as a team to establish a positive and safe school climate, building community, purpose, belonging and school spirit, all to ensure that classroom instruction remains rigorous, relevant and meaningful predicated on strong, positive adult to student relationships. Bernal uses data both formative and summative data to guide instruction as well as social-emotional lessons. Data from department professional learning communities, interdisciplinary teams, district assessments (i.e. iReady Reading and Math Diagnostic), and state assessments (i.e. SBAC, CA Dashboard Overall Academic Performance Levels, ELPAC, reclassification), teacher/department weekly, bi-weekly, and monthly assessments help drive the development of future lessons, and we do student socialemotional check-ins four times a week during school-wide Advisory period. We monitor student progress and student social-emotional well-being daily and weekly during check-ins with staff, department and team meetings, committee meetings, and professional development. Bernal offers unique elective courses such as AVID, Biomedical Engineering, App Creator, Ethnic Studies, Digital Arts and Design, Chess, Symphonic Band, Modern Band, Art, Advance Art, Printmaking and Leadership. Our school is trained in Professional Learning Communities, PBIS, Restorative Practices, Cycle of Inquiry, and WICOR (Writing, Inquiry, Collaboration, Organization, Reading) strategies.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	30.80	92.72%	385.40	91.56%	228366.10	83.12%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2024–25)

All adopted materials use the Common Core standards and apply to all public schools in the state—the textbooks we use, and the tests we give are based on these content standards. You can find the content standards for each subject at each grade level on the California Department of Education (CDE) website. Textbook selection involves a committee of teachers reviewing potential resources to determine alignment with the state-approved instructional framework for each content area. Resources that best meet alignment criteria are selected to be piloted in classrooms. Data is collected and evaluated, and the committee recommends approval to the Board of Education.

Year and month in which the data were collected: August 2024

School Facility Conditions and Planned Improvements

Bernal Intermediate School is comprised of a large two story building that houses administration, science, music, locker rooms, kitchen, and multipurpose room on the first floor, a library and classrooms on the second floor; there is a single story building used for physical education and trainer rooms and a large gym that was recently constructed.

At the time of inspection, the campus found to be in overall Good condition. Work orders were submitted to address minor lighting issues, sink faucet leak, and toilet repairs.

School Facility Good Repair Status

At the time of inspection, the campus found to be in overall Good condition. Work orders were submitted to address minor lighting issues, sink faucet leak, and toilet repairs.

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: January 2025

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Fair	Work orders placed for light replacements.
Restrooms/Fountains: Restrooms, Sinks/Fountains	Poor	Work orders placed to address leaking sink faucet, tighten up loose toilet lid, and repair toilet room door.
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2022– 23	School 2023– 24	District 2022– 23	District 2023– 24	State 2022– 23	State 2023– 24
English Language Arts / Literacy (grades 3-8 and 11)	55%	56%	48%	46%	46%	47%
Mathematics (grades 3-8 and 11)	39%	44%	41%	41%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2023–24)

Percentage of Students Participating in each of the five Fitness Components

For the SARC reporting year (2021–22), the percentage of students participating in each of the five Fitness Components is reported below.

The formula for the participation rate (percent) of students meeting each of the five FITNESSGRAM Components, by grade is:

$$\frac{\text{(The number of students who participated in the FITNESSGRAM Component)}}{\text{(The total number of students enrolled at time of testing)}}$$

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
7	93%	93%	92%	83%	83%

Note: The administration of the PFT requires only participation results for these five fitness areas.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2024–25)

OGSD's efforts to solicit stakeholder feedback to inform stakeholders of the use of federal categorical monies as it relates to the School Plan for Student Achievement and the Learning Continuity and Attendance Plan. Engaging in outreach, principals pulse, and surveying stakeholders has provided and continues to provide staff and administration invaluable input to inform the school's planning in Academics, Attendance, Engagement, Culture and Climate, Nutrition Services, and Public Health. We continue to use digital google meet and zoom meetings in order to gain parent stakeholder input for the development and approval of this plan. Stakeholders have opportunities to attend Parent Information Nights, volunteer at school, participate on or in all school parent groups. Parents also have the opportunity to attend school fieldtrips, i.e. Band, Graet America, Fun Friday, AVID Family College Night, History Day, Student Success Collaboration Meeting, and Science Expo Night.

School Safety Plan (School Year 2024–25)

Providing a safe school is a high priority for Bernal School. To this end, there are continuous improvement processes and collaborative efforts that provide comprehensive health education and a strong academic foundation within a safe and secure learning environment that ensures success for all students. Prevention education at Bernal includes supplemental programs and policies including Restorative Justice Practices, Positive Behavior Intervention System (PBIS), conflict resolution, conflict/peer mediation, positive discipline, refusal training for students and parents for drugs, gangs, alcohol, substance abuse, bullying, harassment, cyberbullying, and graffiti. Bernal also uses Bronco Bucks to help meet its school climate goals. Bronco Bucks allow our school the opportunity to monitor forms of student behaviors, document and recognize positive student actions, track student attendance at school events, and assist teachers with classroom management. Bronco Bucks focus on enhancing PBIS systems at the school level to help achieve goals for improving climate and culture, including increasing the ease of school to home communication and notification. Staff will have the ability to walk the school campus and instantly reward students for target behaviors, using our previously established reward system that focuses on acknowledging specific positive social and academic student RISE behaviors. The use of Bronco Bucks will be aligned with school-based reward and recognition programs described in the PBIS plan for a more efficient analysis of the outcomes. Bronco Bucks are designed to reinforce desired learning behaviors and improve the overall quality of the learning experience where students are provided opportunities for reinforcement of desired behaviors to encourage their positive behaviors and mitigate their not-so-good habits. Instructional staff are given the tools they need to enhance their partnership in the immediate reinforcement of positive behaviors for all students. Administrators are given the tools to identify and support differentiated strategies for top-performing students and those who may need additional intervention. Attendance is closely monitored and students with unexcused absences of 10% or more receive law/school district/partnership intervention. Truancy abatement is a common goal of the school/district and other agency collaborative partnerships. We also have ongoing classroom instruction to focus on the life skills of empathy, anger management, and problem solving. Advisory sessions weekly offered through our teaching staff provided students with opportunities to develop goals, responsibility and high expectations in the middle school setting. We strive to improve the system of publications to students, staff, and community which will include or focus on student awards/recognition, rewards, school activities, achievements, acknowledgments, and announcements.

Types of Services Funded (Fiscal Year 2023–24)

We offer a tiered serve model for programs and services funded during the 2024-2025 school year. The initial level of academic behavioral and social emotional services and programs happens in the classrooms. School Accountability Report Card [https://sarconline.org/public/print/43696256072177/2020-2021\[2/8/2022 9:32:16 AM\]](https://sarconline.org/public/print/43696256072177/2020-2021[2/8/2022 9:32:16 AM]) with teachers. For academics, teachers use board-approved curriculum to support all of the content standards in each grade level. Behaviorally and socially emotionally, teachers use PBIS and RISE expectations that are taught, reinforced, and rewarded each day of the instructional year. For social emotional support, teachers use NearPod, another digital platforms to continue check in, monitor, and address social emotional areas of need that arise from time to time. The next layer of support and program comes from our administrative support team. The services include referrals to in school counseling, referrals to outside community-based agencies such as schooling services, and individual and family out reach that supports basic daily necessities of life. Utilize additional parent support opportunities through parent meeting such as home and school association, school site council, the lack, and coffee klatch. Supplemental academic support is provided through digital tutoring that takes place outside of the instructional day. Supplemental social emotional and behavioral support comes in the form of counselors doing one-to-one check 's, home visits and maintain safety and check-in's by phone on a regular basis.
