Phone:	(408) 225-1881	Grade Span:	K-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

School Description and Mission Statement (School Year 2024–25)

The Indigo Program is part of the Oak Grove School District, a district that is committed to developing an inclusive, caring, educational community in which each individual has many opportunities to achieve his or her potential. We respect the individuality and diversity of students, staff, and community and have high expectations for all individuals.

Indigo is a safe and caring K-8 program designed to educate the whole child. We provide multi-age interactions and constructivist learning activities through a positive discipline approach. This approach is supported by strong parent involvement. Indigo values the unique learning styles, skills and abilities of each child so they will be prepared to make a positive impact on the world.

The Indigo Program school is housed on the Frost campus and is a unique, parent-supported, elementary and middle school option. We are proud to be in our twentieth year of providing a nurturing and stimulating learning environment for our students, teachers and parents in grades K-8. Parent participation, whole-child,

hands-on learning, positive discipline, multi-age interaction, wonderful enrichment programs, dedicated teachers, a strong PTA, and fun community events have made Indigo a place where students and families learn and thrive. Specialized instruction is provided during the regular school day in Art, Choral Music, Instrumental Music, P.E, Project Based Learning, and Community Service. Students at Indigo demonstrate proficiency and progression in core subjects and the habits of mind and scholarship through portfolios.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2024–25)

All adopted materials use the Common Core standards and apply to all public schools in the state—the textbooks we use, and the tests we give are based on these content standards. You can find the content standards for each subject at each grade level on the California Department of Education (CDE) website. Textbook selection involves a committee of teachers reviewing potential resources to determine alignment with the state-approved instructional framework for each content area. Resources that best meet alignment criteria are selected to be piloted in classrooms. Data is collected and evaluated, and the committee recommends approval to the Board of Education.

School Facility Conditions and Planned Improvements

Indigo Elementary is comprised of separate classroom portable buildings and a central administration building.

At the time of inspection, the campus found to be in overall Good condition. Work orders were submitted to address the stained or missing ceiling tiles and relamps needed.

School Facility Good Repair Status

At the time of inspection, the campus found to be in overall Good condition. Work orders were submitted to address the stained or missing ceiling tiles and relamps needed.

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: January 2025

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Poor	Work orders placed to replace damaged or missing ceiling tiles throughout the portables.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Fair	Work orders placed to address a few number of relamps needed.
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2022– 23	School 2023– 24	District 2022– 23	District 2023– 24	State 2022– 23	State 2023– 24

Mathematics (grades 3-8 and 11)	53%	49%	41%	41%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2023–24)

Percentage of Students Participating in each of the five Fitness Components

For the SARC reporting year (2021–22), the percentage of students participating in each of the five Fitness Components is reported below.

The formula for the participation rate (percent) of students meeting each of the five FITNESSGRAM Components, by grade is:

$$\frac{\text{(The number of students who participated in the FITNESSGRAM Component)}}{\text{– divided by –}} \text{(The total number of students enrolled at time of testing)}$$

Grade	Component				
	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5	46%	50%	50%	42%	54%
7	100%	100%	100%	100%	100%

Note: The administration of the PFT requires only participation results for these five fitness areas.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2024–25)

Parents at Indigo are an integral part of decision-making through participation in a leadership role on the School Site Council and Parent Teacher Association, and through the Indigo DEIB (Diversity, Equity, Inclusion, and Belonging) committee. Parents are also involved at Indigo in the following areas:

- Classroom volunteers
- Recess supervisors
- * District/ Parent Advisory Council
- Support for annual activities such as Fun Run, Harvest Festival and various fundraisers
- Annual Back-to-School Night in the fall
- Annual Open House (Exhibit Night) in the spring
- Annual Exploration Night (Literacy, Science, Math)
- Monthly meetings of the PTA
- Monthly meetings of the School Site Council
- * DEIB meetings
- Goal Setting and student-led parent, student, teacher conferences held twice annually
- Koffee Klatch meetings
- Latino parent meetings
- Quarterly ELAC Meetings
- Emergency Preparedness Preparation and Participation
- Community Events (Plant Sale, School Beautification, etc.)
- * Monthly Parent Education meetings
- * Family Gallery Walks and end of unit celebrations

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2023–24)

School Safety Plan (School Year 2024–25)

Providing a safe environment is a high priority for the Indigo Program. To this end, there are continuous improvement processes and collaborative efforts that provide comprehensive health education and a strong academic foundation. Our community is committed to providing a safe and secure setting for students to focus on learning within an environment that is free of violence and fear. The essential tenet is that a safe environment with an absence of threat creates the most positive atmosphere for learning and healthy development to take place.

Prevention education at Indigo includes supplemental programs and policies including Positive Behavior Intervention Support (PBIS), conflict resolution, emotional regulation instruction, Positive Discipline, prevention education, developmental assets, and the Wellness Policy including physical education and nutritional education. Project Cornerstone is in its sixteenth year of implementation for Indigo.

Attendance is closely monitored and students with unexcused absences of 10% or more receive notification and school support. Truancy abatement is a common goal of the school/district and other agency collaborative partnerships. With the prevalence of Covid-19, flu, and RSV, one particular strategy is the use of Independent Study.

In order to reduce the number of incidents of bullying and harassment among students and to ensure that students feel neither intimidated nor threatened by bullying or harassment, Indigo has an ongoing program that specifically addresses issues of race, ethnicity, gender, sexual orientation, perceived sexual orientation, and perceptions which commonly surface in bullying/harassment incidences. We also have ongoing classroom instruction and use PBIS, Positive Discipline, and anti-bias inside and outside the classroom to focus on positive conflict resolution and alternatives to aggressive behavior. This year we are implementing the Project Cornerstone program in our K-8 classes. Indigo students also participate in bimonthly communication lab lessons. Additionally, Indigo is implementing restorative practices outlined in "Don't Suspend Me," for misbehavior.

Each year staff is educated, trained, and practices the concepts of the National Emergency Management System which includes fire drills, earthquake evacuation, first aid procedures, communicable disease action plan, and emergency evacuation maps. We balance the school discipline plan with positive incentives, as well as appropriate alternative consequence plans. Alternatives reviewed as options for positive discipline include campus clean-up, campus projects, incentives, community services, behavior plans/contracts, site or off-site group or individual counseling, and/or alternative placements.
