By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

School Description and Mission Statement (School Year 2024–25)

At Oak Ridge School, we believe that every student can achieve at high levels. As our mission states, "Oak Ridge is a safe, welcoming, and inclusive school that fosters a collaborative community of learners ready for the 21st century." Therefore, a fundamental aim of our educational

programs is to ensure that each student possesses the competence and confidence that would guarantee success at the next level. This plan is our roadmap for building and sustaining a strong and effective instructional core in every classroom. It is our articulation of the vision for student learning outlined in our district's Five-year Strategic Plan. Effective teaching, capable instructional leadership and strong relationships are crucial to realizing our community's hopes and dreams for student learning and development. This focus articulates the teaching practices, leadership practices and organizational practices that have become the norm throughout our school system. Our focus expresses our collective responsibility for student learning and

motivates us all – school, home, and
community – to collaborate in ways that
will
turn our good intentions into strong
results for students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2024–25)

All adopted materials use the Common Core standards and apply to all public schools in the state—the textbooks we use, and the tests we give are based on these content standards. You can find the content standards for each subject at each grade level on the California Department of Education (CDE) website. Textbook selection involves a committee of teachers reviewing potential resources to determine alignment with the state-approved instructional framework for each content area. Resources that best meet alignment criteria are selected to be piloted in classrooms. Data is collected and evaluated, and the committee recommends approval to the Board of Education.

School Facility Conditions and Planned Improvements

Oak Ridge Elementary has a large central building that houses the administration, cafeteria, library, and classrooms. The site also has several classroom portable buildings.

The completed inspections found the school to be in exemplary condition.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)	48%	52%	41%	41%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2023–24)

Percentage of Students Participating in each of the five Fitness Components

For the SARC reporting year (2021–22), the percentage of students participating in each of the five Fitness Components is reported below.

The formula for the participation rate (percent) of students meeting each of the five FITNESSGRAM Components, by grade is:

$$\frac{\text{(The number of students who participated in the FITNESSGRAM Component)}}{\text{(The total number of students enrolled at time of testing)}} - \text{divided by} -$$

Note: The administration of the PFT requires only participation results for these five fitness areas.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2024–25)

At Oak Ridge, we gather stakeholder input by utilizing online parent surveys and pivoting most of our parent meetings online. Parents continue to engage online (even more so than ever) in the virtual space and we find that this practice of having our parents and families engage from their home or workplace is a better method to engage parents who typically have not had access to the in-person meetings. Presentations to stakeholders also include: Oak Ridge School Staff, Oak Ridge School Instructional Leadership Team, School Site Council, Oak Ridge Home and School Club, Oak Ridge Hispanic Parent Club, Oak Ridge African American Koffee Klatch, and Oak Ridge English Learner Advisory Committee.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2023–24)

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

School Safety Plan (School Year 2024–25)

Oak Ridge strives to provide a safe and healthy environment for our students and staff. Oak Ridge School is one of 19 schools in the Oak Grove School District in South San Jose. With the collaborative efforts to maintain Safe Schools through district support (i.e. Safe Schools Specialists, Community Liaisons, The Academy, Health Clerks, Health Liaisons, bond facility renovation funds, District Safety Committee, Board policies, and collaboration with the San Jose Police Department for Lockdown Drills), and site supports (i.e. Home and School Club, School Site Council, staff, students and Student Council and the community, Safety Checks, Wellness Policy and committee, Bond and Parcel Tax Funding), an emphasis has been in place within the district and throughout the community to ensure that safety is our number one priority. To this end, there are continuous improvement processes and collaborative efforts that provide comprehensive health education and a strong academic foundation within a safe and secure learning environment that ensures success for all students. Cleaning Process at Oak Ridge provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment. Maintenance & Repair A scheduled maintenance program is administered by Oak Ridge's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Oak Grove School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. Additionally, due to COVID-19 pandemic: Hand sanitizing stations are located in common areas such as lunch areas, front offices, and priority locations identified by the principal.
