By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	23.20	85.32%	385.40	91.56%	228366.10	83.12%
Intern Credential Holders Properly Assigned	0.00	0.00%	8.30	1.98%	4205.90	1.53%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2024–25)

All adopted materials use the Common Core standards and apply to all public schools in the state—the textbooks we use, and the tests we give are based on these content standards. You can find the content standards for each subject at each grade level on the California Department of Education (CDE) website. Textbook selection involves a committee of teachers reviewing potential resources to determine alignment with the state-approved instructional framework for each content area. Resources that best meet alignment criteria are selected to be piloted in classrooms. Data is collected and evaluated, and the committee recommends approval to the Board of Education.

Year and month in which the data were collected: August 2024

School Facility Conditions and Planned Improvements

Sakamoto Elementary has a large central building that houses the administration, library, cafeteria, and classroom wings. The campus also has several classroom portable buildings.

At the time of the inspection overall condition was good. Small work orders need to be done for light out, drinking fountain, filters, and ceiling tiles.

School Facility Good Repair Status

At the time of the inspection overall condition was good. Small work orders need to be done for light out, drinking fountain, filters, and ceiling tiles.

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: January 2025

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	A work order was placed for lights and ceiling tiles that need to be changed.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Fair	A work order was placed for filters that are needed on water fountains and fountains that are not draining properly
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2022– 23	School 2023– 24	District 2022– 23	District 2023– 24	State 2022– 23	State 2023– 24
English Language Arts / Literacy (grades 3-8 and 11)	55%	52%	48%	46%	46%	47%
Mathematics (grades 3-8 and 11)	51%	49%	41%	41%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group for students taking and completing state-administered assessment Grades Three through Eight and Grade Eleven (School Year 2023–24)

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

**California Physical Fitness Test Results (School Year 2023–24)
Percentage of Students Participating in each of the five Fitness Components**

For the SARC reporting year (2021–22), the percentage of students participating in each of the five Fitness Components is reported below.

The formula for the participation rate (percent) of students meeting each of the five FITNESSGRAM Components, by grade is:

$$\frac{\text{(The number of students who participated in the FITNESSGRAM Component)}}{\text{(The total number of students enrolled at time of testing)}}$$

Grade	Component				
	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5	100%	100%	100%	100%	100%

Note: The administration of the PFT requires only participation results for these five fitness areas.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2024–25)

At Sakamoto, parents are welcome and involved. We encourage parent engagement and parents take an active role on the School Site Council (SSC) and in the Parent Teacher Organization (PTO), the fundraising arm of the school community. Walk-a-thons, Harvest Festivals, silent auctions, and Book Fairs are just a few of the fundraising opportunities for families. Parents help in various capacities at school or in the classroom, such as making copies in the office, supporting the teacher to lead centers or classroom activities, Science Vista, or Project Cornerstone lessons, and being the classroom parent to help coordinate certain activities. Parent volunteers are provided guidelines and common expectations for safely working with students and participating on campus.

We engage our parent community through regular communication and social media. Parents receive updates and notices through Parent Square and our Facebook and Twitter Feeds provide additional information as well as highlights instruction and activities within the school.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2023–24)

School Safety Plan (School Year 2024–25)

Providing a safe school is the number one priority for Sakamoto Elementary. To this end, there are continuous improvement processes and collaborative efforts that provide comprehensive health education and a strong academic foundation within a safe and secure learning environment that ensures success for all students. Prevention education at Sakamoto includes supplemental programs and policies including positive behavioral interventions and supports (PBIS), peer mediation, conflict resolution, positive discipline, refusal training for students and parents, drug, gangs, alcohol, substance abuse, bullying, harassment, graffiti, tobacco prevention education, developmental assets, and the Wellness Policy monitored and students with unexcused absences of 10% or more receive law/school district/partnership intervention.

In order to reduce the number of incidents of bullying and harassment among students and to ensure that students feel neither intimidated nor threatened by bullying or harassment, Sakamoto has an ongoing program that specifically addresses issues of race, ethnicity, gender, sexual orientation, perceived sexual orientation, and perceptions which commonly surface in bullying/harassment incidences. We also have ongoing classroom instruction and use social settings inside and outside the classroom to focus on the life skills of empathy, anger management, and problem-solving.

We balance the school discipline plan with positive incentives, as well as appropriate alternative consequence plans. Positive incentives are offered for positive behavior/attitude, good attendance, positive wellness, and practices, academics. Alternatives reviewed as options to positive discipline include campus clean-up, campus projects, incentives, community services, behavior plans/contracts, site or off-site group or individual counseling, and/or alternative placements. We strive to provide ongoing recognition of students, staff, and community which will include or focus on student awards/recognition, rewards, school activities, achievements, acknowledgments, and announcements. Our Habits Assemblies, Habit Awards, and Leader of the Week have been provided through monthly character building virtual assemblies.

Attendance is closely monitored. Truancy abatement is a common goal of the school/district and other agency collaborative partnerships. Our school has a community liaison that supports the regular attendance of our students.

Each year staff is educated, trained, and practices the concepts of the National Emergency Management System which includes fire drills, earthquake evacuation, lockdown process, first aid procedures, communicable disease action plan, and emergency evacuation maps.

GOAL 1: Increase the percentage of students who feel safe and connected at school.

Strategy 1.1: Convene PBIS (Climate & Culture) Leadership Team Monthly to discuss survey and discipline data and determine action plans

Assessment 1.1: SCB Survey Fall and Spring

Assessment 1.12: PBIS Team Convening

GOAL 2: School will update the ARCC to ensure adequate necessary supplies in the event of an emergency.

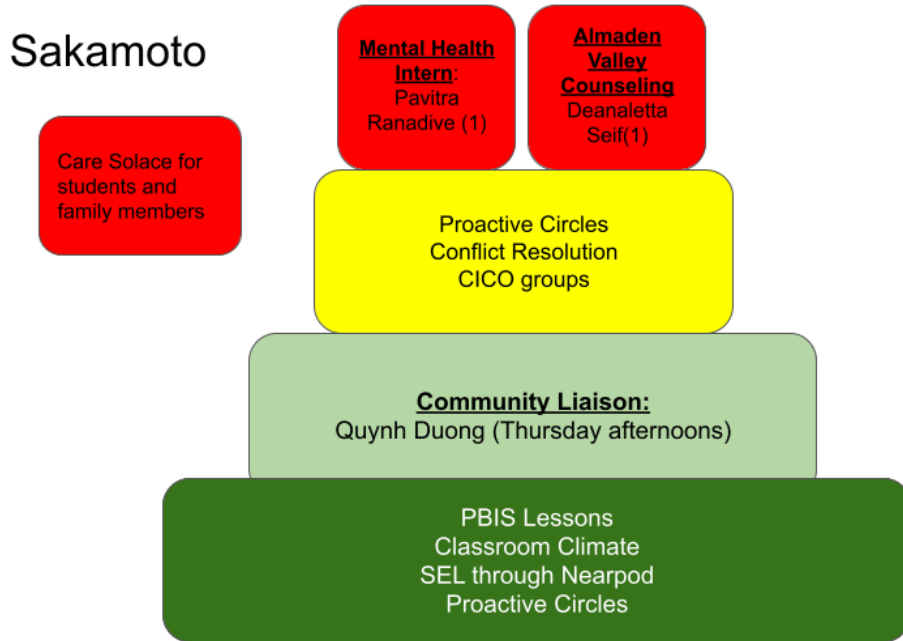

Strategy 2.1: Each class will receive a bin, along with a gallon sized zip top bag for every student. Parent letters will accompany the bags home, asking for snacks to be stored inside the ARCC.

Assessment 2.1: Confirm storage of classroom bings with zip top bags for every student by October.

Strategy 2.2: Updated materials include batteries and [First Aid supplies](#)

Assessment 2.2: Verify items have been delivered and placed in the ARCC by January.

GOAL 3: Provide mental health support for students.

Strategy 3.1: Mental Health Intern support for 2 days (on campus)

Strategy 3.2: Almaden Valley supports for 1 day (on campus)

Strategy 3.3: Outside agency referrals for mental health support through School Linked Services for Alum Rock Counseling, Community Solutions, Rebekah’s Children Services; (on campus)

Strategy 3.4: Parents and students can be referred through Care Solace for individual counseling

Assessment 3.1 through 3.4: Number of students being served by mental health support systems.

Strategy 3.6: Professional Learning Community focus on Morning Meetings (Leader in Me and Morning Meeting Book)

Strategy 3.7: Individual School Strategies, such as Calm Down Corners, Community Circles, SEL Lessons through

Nearpod

Assessment 3.6 - 3.7: Connectedness and Belonging Survey Results
