COVID guidelines as of 08/15/2022:

Anyone with COVID-19 **SYMPTOMS**, regardless of vaccination status, should be tested for COVID

1. If Student/staff test positive for COVID that day is day 0 and must **complete at-home isolation** for 5 days. If fever free and symptoms have resolved, you may return to school on day 6. If you continue to have symptoms, you must stay home until you are symptom free without medication for 24 hours.

If you return on day 6 you must wear a mask for the remainder of the 10 days from your test date. Weekends are included in the 10 days.

- If a rapid antigen test is negative, a symptomatic person should seek confirmatory PCR testing.
- Individuals who are unable to mask through day 10 should be isolated at home for a full 10 days.

Test day Day 0	Day 1 home	Day 2 home	Day 3 home	Day 4 home	Day 5 home	Day 6 May return with mask	Day 7 wear mask	Day 8 wear mask	Day 9 wear mask	Day10 wear mask	Day11 May return with no mask

- It is the teacher's responsibility to monitor for mask compliance once the school nurse or the nurse's appointee has notified the teachers that mask should be worn to school.

Please turn in any dr. excuses/test results into school upon return to school.
