* Important Message to All Applicants *

The SCBBPW will not award the Women of LEGACY Scholarship to a student who receives a "full-ride" financial package from another source. Therefore, in the event a recipient chosen for this scholarship should receive such a financial package- as to have all academic expenses for the school year paid for- we reserve the right to disqualify that recipient and award our scholarship to another student.

Other Application Requirements

All applicants are asked to include two (2) letter of recommendations. We ask that one letter be from a school official such as a teacher, advisor, work supervisor or coach.

Each applicant is asked to write/include a typed personal statement explaining his/her career goals and how this scholarship would help them fulfill their aspirations.

An official transcript of grades from your current college or university is also a requirement of this scholarship. If you are not a continuing student, currently enrolled in college, include a high school transcript if at all possible or a letter of explanation as to why a transcript is not included.
