Edifice Construction

Rendering of New Track

## PROJECT UPDATE 02/01/2025

The scope of the project includes a new Track and amenities for the D4 Stadium - to include an eight-lane competition track, long jump, triple jump, pole vault, high jump, a new scoreboard, and sound system. Also, separate areas for shot put, discus, and javelin events.

All permitting is in the final stages, with anticipated final approvals in late December. The Building permit was received from the Office of School Facilities (OSF). Project bid October 16th. Edifice was the successful bidder. Construction has commenced.

The project is on schedule for completion in January 2026.
