

LANDEEN ANCHOR NEWSLETTER

February 2025

Message from Principal Carrillo-Kelly

Mariner Families,

2025 has kicked off and is in full swing, flying by us very quickly. February is a short, but packed month. Please look at events.>>>>

If your student's teacher reached out to you for conferences, please make sure to make your meeting to discuss your student's progress this year.

January was not a great month for attendance. Remember to make your student's attendance at school a priority, make every minute count!

8th grade will begin the 'Road to the High School' this month. In a few months they will depart as Mariners and begin their journey as Trojans. Make sure to keep up with all information!

Go, Mariners!
